Acer palmatum 'Sango-kaku'('Senkaki')		2.4m(8ft)in10yrs	Beautiful coral-red stems in winter, deeply lobed orange-yellow leaves turning a soft yellow/orange in...	22.50
Acer palmatum dissectum 'Garnet'		1.2m(4ft)	Attractive small dome-shaped tree with finely-cut deep red foliage tinted red when young and turning rich crimson in Autumn.	22.50
Acer platanoides 'Crimson King'	10L	5m(16ft)in10yrs	A medium sized tree with maple like rich purple leaves, keeping their colour throughout the season and turning red in the autumn	39.50
Achillea 'Little Moonshine'	9cm	20cm(8in)	Compact clump-forming perennial with silver foliage and wide heads of bright yellow flowers Ideal for cutting as dried flowers.	6.50
Achillea 'Little Moonshine'	2L	20cm(8in)	Compact clump-forming perennial with silver foliage and wide heads of bright yellow flowers Ideal for cutting as dried flowers.	4.00
Achillea 'Strawberry Seduction'	9cm	75cm(2.5ft)	Clump-forming perennial with dark green, ferny leaves. Many stems of long lasting, intense red flowers that fade to gold in the autumn	4.00
Achillea 'Walther Funcke'	2L	45cm(1.5ft)	Clump-forming perennial with dark green, ferny leaves. Many stems of orange-red flowers. Ideal for cutting as dried flowers.	4.00
Achillea millefolium 'Alabaster'	9cm	75cm(2.5ft)	Late flowering form with pale yellow flower heads that turn ivory white with age and grey green foliage.	4.00
Achillea millefolium 'Cherry Queen'		60cm(2ft)	Vigorous summer border plant with dense flat heads of bright red flowers. Aromatic ferny foliage. Good as a cut flower	4.50
Achillea millefolium 'Lilac Beauty'	3L	75cm(2.5ft)	Delicate filigree foliage with light lilac-pink flowers during Summer. The flower heads can be dried if cut in their peak condition.	4.00
Aconitum 'Spark's Variety'		60cm(2ft)	An upright perennial with deeply lobed leaves. Large panicles of deep violet flowers. Toxic if eaten. Wash hands after handling	7.50
Aconitum carmichaelii 'Arendsii'		1.2m(4ft)	An upright perennial with deeply lobed leaves. Sturdy spikes of hooded amethyst blue flowers. Toxic if eaten.	6.50

Name	Pot Size	Height	Description	Price
			Wash hands after handling	
<i>Aconitum x cammarum</i> 'Bicolor'	2L	90cm(3ft)	Plants form an upright clump of deeply-cut green leaves, bearing spikes of blue-edged white flowers in mid-summer. (TOXIC IF EATEN, WASH HANDS IF HANDLED)	7.50
<i>Acorus calamus</i> 'Variegatus'	9cm	20cm(8in)	A semi-evergreen, water loving plant with fans of glossy, narrow, sword shaped leaves striped with creamy white and green stripes turning pink in the frost	4.50
<i>Acorus gramineus</i> 'Ogon'	2L	20cm(8in)	A semi-evergreen, moisture-loving plant with fans of glossy, narrow, variegated leaves striped with pale green and gold.	6.50
<i>Actaea ramosa</i> 'Pink Spike'	3L	1.2m(4ft)	A herbaceous perennial with beautiful dark foliage producing spires of fragrant, long pink/white flowers in the Autumn followed by black berries. Great for butterflies and other pollinators. Ideal for woodland areas and complimenting Autumnal colours	9.50
<i>Actaea simplex</i> 'Brunette'		1.2m(4ft)	A herbaceous perennial with beautiful dark foliage producing spires of fragrant, long white flowers in the Autumn followed by black berries. Great for butterflies and complimenting Autumnal colours	9.50
<i>Actaea simplex</i> 'Carbonela'		90cm(3ft)	A herbaceous perennial with beautiful dark foliage producing spires of fragrant, long white flowers in the Autumn followed by black berries. Great for butterflies and complimenting Autumnal colours. Ideal for smaller gardens	9.50
<i>Actinidia kolomikta</i>	2L	3m(10ft)in10yrs	Attractive climber with dark green leaves, variegated with pink and white towards the end of each leaf. Best sited facing south or west in sun.	9.50
<i>Agapanthus</i> 'Headbourne Hybrids'		60cm(2ft)	A clump-forming, hardy perennial with strap-shaped, deep green leaves. Rounded clusters of bell-shaped, light to deep blue flowers in Summer.	6.50
<i>Agapanthus</i> 'Twister'		30cm(1ft)	A clump-forming perennial with strap-shaped, deep green leaves and bicolor flowers. The large trumpets of white flowers have a dark blue base. Ideal for containers.	8.50
<i>Agapanthus orientalis</i> 'Queen Mum'			A compact habit topped with stunning white-blue bi colour trumpet shaped flowers in mid-Summer	8.50
<i>Alchemilla mollis</i>	3L	45cm(1.5ft)	A low, clump-forming perennial with shallowly-lobed, sharply-toothed hairy, soft grey-green leaves. Loose, billowy sprays of yellow-green flowers. Good for naturalizing.	7.00
<i>Allium</i> 'Christophii'		45cm(1.5ft)	Grey green leaves start to die back before hug globes of star like lilac flowers appear	4.00
<i>Allium</i> 'Mount Everest'		1.2m(4ft)	Grey green, strap shaped green leaves start to die back before white, star shaped flowers form tightly packed balls up to 12cm across.	4.00
<i>Allium</i> 'Purple Rain'		90cm(3ft)	Grey green leaves start to die back before large globes of densely packed purple flowers appear.	4.00
<i>Amelanchier alnifolia</i> 'Obelisk'	7.5L	5m(16ft)in10yrs	Large columnar upright shrub bearing a profusion of white flowers in mid spring and providing fantastic autumn colour. Ideal for front of border or in a pot. Prune to shape after flowering	20.00
<i>Amelanchier canadensis</i>	4L	3m(10ft)in10yrs	Dense, erect deciduous shrub with mid-green leaves. Masses of white flowers followed by circular leaves and blue-black fruit and superb red autumn colour.	14.50
<i>Amelanchier canadensis</i>	3L	3m(10ft)in10yrs	Dense, erect deciduous shrub with mid-green leaves. Masses of white flowers followed by circular leaves and blue-black fruit and superb red autumn colour.	24.50
<i>Amelanchier x grandiflora</i> 'Ballerina'	10L	4m(13ft)in10yrs	A small tree with fantastic Autumn colour. Flowers are	37.50

Name	Pot Size	Height	Description	Price
			white and relatively large and are followed by small red berries which turn to a deep purple.	
Amelanchier x grandiflora 'La Paloma'		4m(13ft)in10yrs	The leaves emerge bronze, mature green, and fade to orange and red in autumn, white and pink flowers in spring, followed by edible, juicy blue-black fruit.	49.99
Amelanchier x grandiflora 'R J Hilton'		6m(16ft)in10yrs	The leaves emerge bronze, mature green, and fade to orange and red in autumn, white and pink flowers in spring, followed by edible, juicy blue-black fruit.	49.99
Anemone 'Wild Swan'	3L	45cm(1.5ft)	Clump forming hardy perennial with many attractive white flowers with pale blue on the reverse produced through summer. Deadhead regularly to encourage repeat flowering	9.50
Anemone hupehensis japonica 'Pamina'	2L	60cm(2ft)	Erect perennial with suckering shoots, dark green leaves. Very symmetrical, deep pink, double flowers.	8.50
Anemone leveillei	3L	60cm(2ft)	Hardy perennial forming a mound of hairy foliage topped with lilac backed white flowers in late spring/early summer	7.50
Anemone rivularis	2L	20cm(8in)	Clump forming perennial with saucer shaped white flowers, indigo in the middle and tinged metallic blue on the reverse over a long period from June.	6.50
Anemone x hybrida 'Hadspen Abundance'		75cm(2.5ft)	A beautiful late flowering Autumn perennial with masses of cup shaped deep pink, semi double flower held on slender stems. Great for late colour.	8.50
Anemone x hybrida 'Honorine Jobert'		1.5m(5ft)	Erect perennial with suckering shoots, mid-green leaves. Pure white flowers with contrasting yellow stamens.	8.50
Anemone x hybrida 'Little Princess'		75cm(2.5ft)	A beautiful late flowering Autumn perennial. A compact form with many slender stems topped with clusters of baby pink flowers. Great for bees and insects	8.50
Anemone x hybrida 'Little White Princess'	3L	75cm(2.5ft)	A beautiful late flowering Autumn perennial. A compact form with many slender stems topped with clusters of white flowers. Great for bees and insects	8.50
Anemone x hybrida 'September Charm'	2L	75cm(2.5ft)	A beautiful late flowering Autumn perennial with many slender stems topped with masses of large rosy pink cup shaped flowers. Great for late colour.	8.50
Anemone x hybrida 'Whirlwind'('Wirbelwind')		1.5m(5ft)	Erect perennial with suckering shoots, mid-green leaves. An old American variety with semi-double white flowers.	6.50
Angelica gigas	3L		A magnificent domed purple flowering perennial with impressive, structural size and appearance. Has stunning seed pods for a quality Autumn display.	8.00
Antennaria dioica 'Rosea'	9cm	5cm(2in)	Small glaucous leaves with rose pink flowers in Spring	3.50
Anthemis 'Trenague'		5cm(2in)	A non-flowering low growing hardy perennial. Ideal for planting between flags as when walked on the leaves are highly aromatic. Used to make lawns in a well drained sunny position	3.00
Anthemis tinctoria 'E. C. Buxton Dwarf Form'	2L	45cm(1.5ft)	Compact clump-forming, free-flowering perennial with aromatic, finely cut mid-green leaves, grey-green beneath. Branching stems of lemon-yellow flowers.	7.50
Anthemis tinctoria 'E. C. Buxton'		90cm(3ft)	Clump-forming, free-flowering perennial with aromatic, finely cut mid-green leaves, grey-green beneath. Branching stems of lemon-yellow flowers.	7.50
Anthemis tinctoria 'Sauce Hollandaise'	3L	60cm(2ft)	Clump-forming, free-flowering perennial with finely-cut aromatic leaves, mid-green above and grey beneath. Branching stems of pale cream, almost white flowerheads all Summer.	7.50
Anthriscus sylvestris 'Ravenswing'	2L		An elegant perennial cultivar of cow parsley with sleek, dark purple stems contrasting against creamy white flower clusters.	6.50

Name	Pot Size	Height	Description	Price
<i>Aquilegia vulgaris</i> 'Alba'	3L	60cm(2ft)	Light green elegant foliage produces an abundance of stunning pure white bell flowers	6.50
<i>Aquilegia vulgaris</i> 'Black Barlow'	1L	45cm(1.5ft)	Attractive dark purple double flowers. May-July. 30in.(75cm.)	6.50
<i>Aquilegia vulgaris</i> 'Chocolate Soldier'	3L	60cm(2ft)	Unusual variety with attractive leaves forming a compact mound and chocolate brown fragrant flowers from late spring	6.50
<i>Aquilegia vulgaris</i> 'McKana Hybrids'	1L	90cm(3ft)	An upright herbaceous perennial, with nodding spring flowers in shades of pink, red, yellow, pale-blue, purple and white.	6.50
<i>Aquilegia vulgaris</i> 'Yellow Queen'	3L	60cm(2ft)	Light green elegant foliage with large yellow reflexed fragrant flowers in early summer. Good for cut flowers. Good for butterflies	6.50
<i>Armeria maritima</i> 'Rubrifolia'	1L	10cm(4in)	Cushion-forming alpine with linear, dark bronze leaves and rounded pom-pom like rich crimson flowers on slender, upright stems.	4.00
<i>Artemisia</i> 'Powis Castle'	3L	90cm(3ft)	Upright mound of silver aromatic foliage. Small yellow flowers in late summer.	6.50
<i>Aruncus dioicus</i> 'Guinea Fowl'	2L	90cm(3ft)	Perennial with fern-like, mid-green leaves. Masses of creamy white flowers fading to pink. Flowers are held on the spikes horizontally giving an unusual appearance	6.50
<i>Aster</i> 'Crimson Brocade'	1L	60cm(2ft)	A late flowering perennial with clusters of semi-double magenta flowers bearing a yellow centre	4.50
<i>Aster divaricatus</i> (corymbosus)	2L	45cm(1.5ft)	Clump forming perennial with wiry blackish stems, green leaves. Open heads of tiny white flowers with brownish yellow centres	7.50
<i>Aster frikartii</i> 'Jungfrau'	3L	75cm(2.5ft)	Compact mound forming perennial covered in masses of large lavender blue flowers with yellow centres lasting over a long period in the autumn. Good mildew resistance	7.50
<i>Aster frikartii</i> 'Monch'	2L	90cm(3ft)	Mound forming perennial covered in masses of large lilac flowers lasting over a long period in the autumn. Good mildew resistance	5.50
<i>Aster novae angliae</i> 'Boningale White'	3L	90cm(3ft)	An upright plant topped with clusters of double white flowers from mid Sept, Moist well drained soil. Full sun or partial shade	8.50
<i>Aster novi-belgii</i> 'Marie Ballard'	1L	45cm(1.5ft)	Clump forming perennial with masses of deep powder blue double flowers in late summer and autumn.	4.50
<i>Aster novi-belgii</i> 'Sarah Ballard'		45cm(1.5ft)	Clump forming perennial with masses of lilac flowers with a yellow centre in late summer and autumn.	4.50
<i>Astilbe</i> 'Chocolate Shogun'	2L	45cm(1.5ft)	Clump-forming perennial with rich chocolate coloured foliage and contrasting plumes of pale pink flowers.	6.50
<i>Astilbe</i> 'Gladstone'		45cm(1.5ft)	Clump-forming perennial with spikes of white fluffy flowers over dark foliage.	6.50
<i>Astilbe</i> 'Spinell'		45cm(1.5ft)	Clump-forming perennial with tall spikes of deep red flowers over green foliage.	6.50
<i>Astilbe</i> 'Walter Bitner'		75cm(2.5ft)	Clump-forming perennial with striking pink flowers of excellent form.	6.50
<i>Astilbe</i> 'Washington'		45cm(1.5ft)	Clump-forming perennial with spikes of scented fluffy cream flowers over dark green leaves.	6.50
<i>Astilbe</i> Avalanche		45cm(1.5ft)	Clump-forming perennial with handsome dark green foliage. Fine white flowers in short, airy plumes during Summer.	6.50
<i>Astilbe chinensis</i> 'Mighty Chocolate Cherry'		1.2m(4ft)	Clump-forming perennial with handsome dark green foliage. Feathery velvety red flowers.	6.50

Name	Pot Size	Height	Description	Price
Astilbe chinensis 'Purpurlanze'		90cm(3ft)	Clump-forming perennial with handsome dark green foliage. Feathery, erect spikes of glowing purple flowers.	6.50
Astilbe chinensis 'Veronika Klose'		45cm(1.5ft)	A superb late flowering variety with many compact spikes of rich pink flowers in late Summer	6.50
Astilbe chinensis 'Visions'		45cm(1.5ft)	Clump-forming perennial with handsome dark green foliage. Feathery, erect spikes of glowing purple flowers.	6.50
Astilbe simplicifolia 'Darwin's Snow Sprite'	1L		Bronze-tinged, deeply divided foliage in low mounds and loosely formed small white plumes. Moist soil.	6.50
Astilbe simplicifolia 'Jacqueline'		60cm(2ft)	Clump-forming perennial with handsome, dissected, shiny, dark foliage. A new introduction with dainty, arching spikes of rich salmon-pink flowers.	6.50
Astilbe x arendsii 'Amethyst'	2L	60cm(2ft)	Clump-forming perennial with handsome, light green foliage and excellent, erect plumes of bright pink flowers.	6.50
Astilbe x arendsii 'Bressingham Beauty'		90cm(3ft)	Clump-forming perennial with handsome, bronze-tinted green foliage. Plumes of bright pink flowers.	7.50
Astilbe x arendsii 'Bressingham Beauty'	3L	90cm(3ft)	Clump-forming perennial with handsome, bronze-tinted green foliage. Plumes of bright pink flowers.	6.50
Astilbe x arendsii 'Cappuccino'	2L	90cm(3ft)	Clump-forming perennial with bronze foliage and large plumes of creamy white flowers in summer. Moisture retentive soil essential.	6.50
Astilbe x arendsii 'Cattleya'		45cm(1.5ft)	Clump-forming perennial with handsome dark green foliage edged dark red. Dainty, erect plumes of light rose-pink flowers.	6.50
Astilbe x arendsii 'Diamant'		90cm(3ft)	Clump-forming perennial with handsome dark green foliage. Narrow plumes of clear white flowers in Summer. Moisture retentive soil essential.	6.50
Astilbe x arendsii 'Elizabeth Bloom'		60cm(2ft)	Clump-forming perennial with handsome rich green foliage. Plumes of pure pink flowers.	6.50
Astilbe x arendsii 'Ellie van Veen'		75cm(2.5ft)	Clump-forming perennial with handsome, light green foliage and excellent, erect plumes of white flowers.	6.50
Astilbe x arendsii 'Etna'	1L	45cm(1.5ft)	Compact clump-forming perennial with plumes of bright red flowers on upright stems. Ideal for moist soils and shade	4.00
Astilbe x arendsii 'Fanal'	2L	60cm(2ft)	Clump-forming perennial with handsome, dark, reddish-green foliage. Plumes of dark crimson flowers. Moisture retentive soil essential.	6.50
Astilbe x arendsii 'Granat'		60cm(2ft)	Tall clump-forming perennial with plumes of large red flowers on strong stems. Ideal for moist soils and shade	6.50
Astilbe x arendsii 'Hyazinth'(Hyacinth)'		75cm(2.5ft)	Clump-forming perennial with handsome dark-green foliage. Plumes of lilac-pink flowers.	6.50
Astilbe x arendsii 'Irrlight'		45cm(1.5ft)	A creamy-white flowered hybrid with emerald green foliage and compact in habit	6.50
Astilbe x arendsii 'Spartan' ('Rotlicht)'		90cm(3ft)	Clump-forming perennial with handsome dark green foliage. Feathery spikes of dark red flowers.	6.50
Astilbe x arendsii 'Weisse Gloria'(White Gloria)'	1L	45cm(1.5ft)	Clump-forming perennial with handsome mid-green foliage. Large plumes of white flowers. Moisture retentive soil essential.	6.50
Astilbe x crispa 'Lilliput'	9cm	20cm(8in)	Shiny, cut and textured leaves and from mid-summer to early autumn, bears pale-pink flowers held on dark-red stems.	6.00
Astilbe x crispa 'Perkeo'		20cm(8in)	A miniature variety with stocky upright stems of pink flowers in summer, great for a shady area	6.00
Astilbe x japonica 'Deutschland'	2L	60cm(2ft)	Vigorous perennial with handsome foliage. Superb plumes of white flowers with a green tint.	6.50
Astilbe x japonica 'Red Sentinel'		60cm(2ft)	Vigorous perennial with dark foliage and superb plumes	6.50

Name	Pot Size	Height	Description	Price
			of deep crimson flowers.	
Astilbe x simplicifolia 'Bronze Elegance'	1L	30cm(1ft)	Vigorous perennial with handsome dark green foliage coloured bronze when young. Attractive, curved plumes of salmon-pink flowers.	6.50
Astilbe x simplicifolia 'Inshriach Pink'		30cm(1ft)	Clump-forming perennial with handsome dissected, shiny bronze-green foliage. Feathery spikes of pink flowers.	6.50
Astilbe x thunbergii 'Professor van der Wielen'	2L	90cm(3ft)	Clump-forming perennial with handsome green foliage. Arching plumes of white flowers.	6.50
Astilbe x thunbergii 'Professor van der Wielen'	3L	90cm(3ft)	Clump-forming perennial with handsome green foliage. Arching plumes of white flowers.	8.50
Astilbe x thunbergii 'Straussenfeder' ('Ostrich Plume')	2L	90cm(3ft)	Clump-forming perennial with handsome green foliage bronze-tinted when young Arching sprays of rich coral-pink flowers.	6.50
Astrantia 'Buckland'	3L	60cm(2ft)	A splendid form of Astrantia with masses of cup shaped shocking pink flowers throughout late Spring and again during late Summer. Trim out old flower stems for repeat blooming	8.50
Astrantia major 'Abbey Road'		60cm(2ft)	Clump-forming perennial with lobed green leaves. Attractive starry paper deep purple long lasting flowers on purple stems. Good for cutting and drying	8.50
Astrantia major 'Claret'	2L	60cm(2ft)	One of the darkest forms of Astrantia with deep ruby coloured flowers. Cut out old flowering stems for repeat blooming later on	7.50
Astrantia major 'Florence'			Clump-forming perennial with lobed green leaves. Attractive, long-lasting, lavender pink papery flowers that are attractive to butterflies. Good for cutting and drying	7.50
Astrantia major 'Hadspen Blood'	3L	60cm(2ft)	One of the darkest forms of Astrantia with deep ruby coloured flowers. Cut out old flowering stems for repeat blooming later on	7.50
Astrantia major 'Pink Pride'		60cm(2ft)	Clump-forming perennial with lobed green leaves. Attractive bright pink paper like, long lasting flowers. Good for cutting and drying	7.50
Astrantia major 'Roma'		60cm(2ft)	Clump-forming perennial with lobed green leaves. Attractive starry paper like silver pink, long lasting flowers surrounded by greenish red bracts. Good for cutting and drying	8.50
Astrantia major 'Ruby Wedding'			Clump-forming perennial with lobed green leaves bearing attractive, long-lasting, deep purplish-red flowers.	7.50
Astrantia major 'Shaggy'	2L	75cm(2.5ft)	Superb variety with fresh green leaves producing cream flowers with green tips. Cut back flower stems after first flush for repeat blooming later on	7.50
Astrantia major 'Star of Beauty'	3L	60cm(2ft)	Clump-forming perennial with lobed green leaves. Attractive, long-lasting white papery bracts with green tips surround the clusters of dome shaped white flowers with magenta tips. Very floriferous. Dead head to promote repeat flowering and prevent self seeding	7.50
Astrantia major 'Venice'		60cm(2ft)	Clump-forming perennial with lobed green leaves. Attractive plum coloured paper like, long lasting flowers. Good for cutting and drying	7.50
Azalea 'Gibraltar'	5L	1.2m(4ft)	Ball-shaped trusses of 10-12 reliable blooms of flame orange flowers.	14.95
Azalea 'Glowing Embers'		1.5m(5ft)	Reddish-orange flowers in July. Blotched orange petals. Beautiful strong grower.	14.95
Berberis darwinii 'Compacta'	2L	90cm(3ft)	A hardy evergreen shrub with dense glossy holly like leaves Deep orange flowers in spring are followed by blue berries in autumn. Requires little pruning. Can be used in	8.50

Name	Pot Size	Height	Description	Price
			mixed borders or as an informal hedge	
Berberis thunbergii 'Golden Rocket'		1.2m(4ft)	A new compact berberis with bright yellow foliage, grows in a tight pillar and great for sun or shade, turns bright orange in autumn.	6.50
Berberis thunbergii 'Orange Rocket'		1.2m(4ft)	A new compact berberis with bright orange foliage, grows in a tight pillar and great for sun or shade, turns bright red in autumn.	6.50
Bergenia 'Morgenröte' ('Morning Red')	3L	30cm(1ft)	Clump-forming perennial with broad deep green leaves. Bright reddish-pink flowers on red stems in early spring.	7.50
Bergenia 'Spring Fling'		30cm(1ft)	Compact clump-forming perennial with mid-green leaves, lightly-bronzed during Winter. Very floriferous variety with spikes of pink flowers early in the year. Good for bees	6.50
Bergenia ciliata	2L	30cm(1ft)	Clump-forming perennial with large broad, mid-green, softly hairy leaves turning a superb red in autumn. Flowers pink fading to white.	6.50
Bergenia cordifolia 'Shoeshine Rose'	3L	30cm(1ft)	Compact clump-forming evergreen perennial with deep rose flowers in spring. Leaves turn bronze through winter. Good ground cover	6.50
Bergenia cordifolia 'Winterglow'		45cm(1.5ft)	Compact clump-forming evergreen perennial with light pink flowers in spring. Leaves turn reddish bronze through winter. Good ground cover	6.50
Betula utilis 'Doorenbos' ('Snow Queen')	10L	5m(16ft)in10yrs	A fast-growing, medium-sized tree with ascending branches forming an oval crown. The trunk and branches colour clear white from a young age.	47.99
Betula utilis var. jacquemontii		5m(16ft)in10yrs	Conical tree with attractive peeling white bark. Dark green leaves turning yellow in autumn. Yellow-brown catkins in spring.	39.50
Betula utilis var. jacquemontii		5m(16ft)in10yrs	A multi stemmed tree with attractive peeling white bark. Dark green leaves turning yellow in autumn. Yellow-brown catkins in spring.	250.00
Brachyglottis compacta 'Sunshine'	3L	1.2m(4ft)	Evergreen shrub with soft grey leaves and masses of bright yellow daisy like flowers in late summer. Good for cut flower. Well drained soil	13.50
Brunnera macrophylla		45cm(1.5ft)	Perennial with heart-shaped, green leaves. Attractive airy sprays of forget me not bright blue flowers	7.50
Brunnera macrophylla 'Alexanders Great'		45cm(1.5ft)	Perennial Forming mounds of large heart-shaped silvered leaves and bright blue forget me not like flowers in spring	6.50
Brunnera macrophylla 'Jack Frost'	1.5L	45cm(1.5ft)	Perennial with heart-shaped leaves silver-grey with dark green veins, with bright blue flowers	8.00
Brunnera macrophylla 'Looking Glass'	3L	45cm(1.5ft)	Perennial with large heart-shaped shimmering silver leaves with green edges and veins. Bright blue flowers in spring. great for adding light to deep shade	8.50
Brunnera macrophylla 'Mr Moon'		45cm(1.5ft)	Perennial with heart-shaped leaves silver-grey with dark green veins. Covered in small white flowers in spring	8.50
Buddleja 'Black Knight'		2.4m(8ft)	This buddleja produces dense spikes of tiny, fragrant, dark purple flowers in Summer.	7.50
Buddleja 'Buzz Hot Raspberry'		60cm(2ft)	A new dwarf buddleja with scented hot pink flowers. Great for attracting butterflies and insects!	8.50
Buddleja 'Buzz Indigo'	2L	60cm(2ft)	A new dwarf buddleja with dusky deep blue scented flowers. Great for attracting butterflies and insects!	8.50
Buddleja 'Buzz Ivory'	3L	60cm(2ft)	A new dwarf buddleja with creamy white, scented flowers. Great for attracting butterflies and insects!	8.50
Buddleja 'Buzz Magenta'		60cm(2ft)	A new dwarf buddleja with scented bright magenta, purple flowers. Great for attracting butterflies and insects!	8.50

Name	Pot Size	Height	Description	Price
Buddleja 'Pink Delight'		1.5m(5ft)	A beautiful shrub with silvery green foliage and beautifully scented deep pink flowers that attract butterflies and bees and will bloom throughout Summer.	7.50
Buddleja globosa	4L	3m(10ft)	Balls of golden-yellow, fragrant, blooms adorn this lovely shrub from late spring through Summer. Attracts loads of butterflies. Flowers on old growth so prune after flowering	9.50
Buxus sempervirens	2L	60cm(2ft)	Great plant for creating formal hedges in the garden, plant 6 plants to the metre trimming twice per year	5.50
Calamagrostis x acutiflora 'Karl Foerster'		1.5m(5ft)	Clump-forming perennial grass with arching, mid-green leaves. Erect stems of pink-bronze flowers that fade to pale brown turning golden yellow in autumn.	6.50
Calamintha nepeta		60cm(2ft)	Hardy, bushy perennial with highly aromatic leaves and clouds of white flowers through late summer. Good for bees	5.50
Calamintha nepeta	3L	60cm(2ft)	Hardy, bushy perennial with highly aromatic leaves and clouds of white flowers through late summer. Good for bees	7.00
Callicarpa bodinieri var. giraldii 'Profusion'	4L	1.5m(5ft)	Deciduous shrub with bronze young foliage, clusters of pale pink flowers followed by startling violet fruits in Autumn.	12.50
Caltha palustris 'Flora Pleno'	1.5L	45cm(1.5ft)	A low growing perennial with kidney shaped green leaves bearing fully double yellow buttercup like flowers. Will tolerate boggy conditions.	6.00
Camassia cusickii	2L	75cm(2.5ft)	A hardy bulbous perennial with narrow, rush-like leaves. Cup-shaped, vivid sky blue flowers on erect spikes. Great planted in drifts Good cut flower	6.00
Camassia leichtlinii		90cm(3ft)	A bulbous perennial with narrow, rush-like leaves. Cup-shaped, bright blue flowers on erect spikes.	6.00
Campanula 'Sarastro'	3L	60cm(2ft)	Spreading perennial with rosettes of dark green leaves. Large, pendulous, tubular bells of deep violet purple flowers. Good cut flower. Remove old flowers to increase flowering time.	7.50
Campanula Lactifolia 'Loddon Anna'		75cm(2.5ft)	A splendid plant of upright habit with tall spikes of lilac open bell shaped flowers during the summer months.	7.50
Campanula Lactifolia 'Pritchards Variety'		75cm(2.5ft)	A splendid plant of upright habit with masses of blue flowers during the summer months.	7.50
Campanula Lactifolia Alba		75cm(2.5ft)	A splendid plant of upright habit with masses of white flowers during the summer months.	7.50
Campanula Lactifolia Senior		75cm(2.5ft)	A splendid plant of upright habit with masses of upward facing bell shaped blue flowers with a pale centre during the summer months.	7.50
Campanula persicifolia 'Telham Beauty'		75cm(2.5ft)	A fantastic variety with masses of cup shaped blue flowers held on slender stems	7.50
Carex buchani 'Red Rooster'		30cm(1ft)	Dense evergreen sedge with upright arching orange to reddish brown foliage. Very effective planted amongst contrasting foliage and flower colours	7.50
Carex comans 'Frosted Curls'		45cm(1.5ft)	Densely tufted evergreen sedge with arching narrow, pale silvery green leaves curling at the tips. Inconspicuous green flower spikes.	7.50
Carex comans bronze	2L	45cm(1.5ft)	Dense evergreen clumps of narrow, hair-like, brownish leaves. Inconspicuous brown flower spikes. Compact and good in sun.	6.50
Carex morrowii Ice Dance	3L	45cm(1.5ft)	Evergreen, broad, tapered dark green leaves margined creamy white, gently arching upwards on a compact plant. Green and brown flower spikes.	7.50

Name	Pot Size	Height	Description	Price
Carex muskingumensis 'Oehme'		60cm(2ft)	Narrow, upright stems with the leaves arranged in three distinct ranks and mostly gathered at the top of the stems. Starts green then a distinct yellow marginal stripe appears, gradually intensifying.	6.00
Carex testacea 'Prairie Fire'		60cm(2ft)	Dense evergreen sedge with upright slender green bronze foliage tipped with orange.	8.50
Carex testacea 'Prairie Fire'	9cm	60cm(2ft)	Dense evergreen sedge with upright slender green bronze foliage tipped with orange.	4.00
Ceanothus 'Concha'	3L	2.1m(7ft)	Attractive red buds open to form clusters of deep blue flowers in late spring. A dense medium sized and spreading evergreen shrub ideal for growing against a sheltered sunny wall	12.50
Ceanothus 'Dark Star'		1.8m(6ft)	Bushy, evergreen shrub with toothed, glossy dark green leaves on arching stems bearing masses of scented purple flowers in late spring. Ideal for mixed border or as an informal hedge	10.50
Ceanothus thyrsiflorus repens		1.8m(6ft)	Bushy, evergreen shrub with toothed, glossy dark green leaves. Rich blue flowers in early Summer. Ideal as a specimen or in a mixed border. Can be used as ground cover or trained up a wall or trellis. Well drained soil	10.50
Centaurea montana		45cm(1.5ft)	Clump-forming perennial with narrow leaves. Blue flowers with black centres from early-summer.	6.50
Ceratostigma willmotianum		45cm(1.5ft)	Spreading perennial with slender red stems and bright green leaves with wavy margins, tinted red in Autumn. Brilliant gentian-blue flowers.	9.50
Ceratostigma willmotianum 'Forest Blue'		45cm(1.5ft)	Spreading bushy, hardy perennial with masses of disc shaped vivid blue flowers from Aug-Oct. Fantastic autumn colour. Very good for the front of a sunny border	8.50
Cercis canadensis 'Forest Pansy'	10L	2.4m(8ft)in10yrs	A spreading shrub with beautiful, heart-shaped, dark purple-red leaves. Deep crimson, purple or pink flowers are borne before the leaves appear.	60.00
Cercis chinensis 'Avondale'	15L	3m(10ft)	An upright-growing shrub with beautiful, heart-shaped, fresh green leaves which turn yellow in autumn. Deep purple flower clusters along the branches are borne before the leaves appear.	48.00
Chaenomeles x superba 'Pink Lady'	2L	1.5m(5ft)	A spreading thorny shrub with mid-green glossy leaves. Clusters of cup-shaped, clear rose-pink flowers are borne in spring, followed by green edible fruits ripening to yellow.	7.50
Chiastophyllum Oppositifolium		10cm(4in)	Hardy perennial with evergreen leaves and masses of hanging yellow flowers through late spring and summer. Very versatile, tolerates shade well.	4.50
Chionodoxa luciliae		10cm(4in)	A beautiful very early dwarf spring flowering bulbs with masses of blue star shaped flowers forming a carpet of colour. Great for naturalising under trees.	3.50
Chionodoxa luciliae alba		10cm(4in)	A beautiful dwarf early spring flowering bulb with masses of white starry flowers. Great for naturalising under trees	3.50
Choisya ternata 'Aztec Pearl'	3L	1.5m(5ft)	Compact evergreen shrub with elegant green leaves and masses of sweetly-scented white flowers borne in late spring and again in late Summer.	10.50
Choisya ternata 'Sundance'		1.5m(5ft)	Compact evergreen shrub with bright golden-yellow, aromatic foliage and masses of sweetly-scented pink-tinged white flowers borne in late Spring and again in late Summer.	12.50
Cirsium rivulare 'Frosted Magic'		75cm(2.5ft)	Recent introduction. Hardy clump forming perennial with stiff upright stems of long lasting, white thistle like flowers. Great planted with grasses	7.50

Name	Pot Size	Height	Description	Price
Cirsium rivulare 'Pink Blush'		75cm(2.5ft)	Hardy clump forming perennial with stiff upright stems of long lasting, white thistle like flowers heads with a pink blush. Great planted with grasses	7.50
Clematis heracleifolia 'Cassandra'		75cm(2.5ft)	A perennial form of Clematis with beautiful scented royal blue flowers in Summer. Chop down in the Autumn	12.50
Cornus alba 'Aurea'	7.5L	1.8m(6ft)	A vigorous shrub with bright red winter branches. Gold leaves intensify in colour through Autumn. White flowers are followed by clusters of white berries. Prefers moist soil. Prune hard early March. Sunny position for best stem colour	30.00
Cornus alba 'Baton Rouge'	4L	1.8m(6ft)	Newly introduced with striking bright red/orange stems, fresh green leaves, red in Autumn. The best stem colour of all dogwoods! 10ft.(3m)	12.50
Cornus alba 'Baton Rouge'	7.5L	1.8m(6ft)	Newly introduced with striking bright red/orange stems, fresh green leaves, red in Autumn. The best stem colour of all dogwoods! 10ft.(3m)	35.00
Cornus alba 'Elegantissima'	2L	2.7m(9ft)	A vigorous shrub with red winter shoots. Grey-green leaves margined white, red in Autumn; white flowers are followed by white berries, often tinged blue. Prefers moist soil. Prune hard early March.	10.00
Cornus alba 'Kesselringii'		1.8m(6ft)	A vigorous shrub with blackish-purple winter shoots. Purple leaves, often tinged red and purple in Autumn; white flowers are followed by white berries, often tinged blue. Prefers moist soil. Prune hard early March.	7.50
Cornus alba 'Kesselringii'	4L	1.8m(6ft)	A vigorous shrub with blackish-purple winter shoots. Purple leaves, often tinged red and purple in Autumn; white flowers are followed by white berries, often tinged blue. Prefers moist soil. Prune hard early March.	10.00
Cornus alba 'Kesselringii'	7.5L	1.8m(6ft)	A vigorous shrub with blackish-purple winter shoots. Purple leaves, often tinged red and purple in Autumn; white flowers are followed by white berries, often tinged blue. Prefers moist soil. Prune hard early March.	30.00
Cornus alba 'Siberian Pearls'		1.8m(6ft)	A vigorous shrub with bright red winter stems and good autumn colour. White flowers are followed by clusters of white berries. Prefers moist soil. Prune hard early March. Sunny position for best stem colour	30.00
Cornus alba 'Sibirica'		1.8m(6ft)	A vigorous shrub with bright red winter shoots. Dark green leaves turn red in Autumn; white flowers are followed by white berries, often tinged blue. Prefers moist soil. Prune hard early March.	30.00
Cornus alba 'Sibirica'	2L	1.8m(6ft)	A vigorous shrub with bright red winter shoots. Dark green leaves turn red in Autumn; white flowers are followed by white berries, often tinged blue. Prefers moist soil. Prune hard early March.	10.00
Cornus canadensis		10cm(4in)	A mat forming herbaceous perennial. Conspicuous white bracts surround green flowers in the spring and red berried in autumn. Ideal for a woodland garden	9.50
Cornus sanguinea 'Midwinter Fire'		1.8m(6ft)	A vigorous shrub with branches yellow at the base deepening to fiery orange at the tips in winter. Soft green leaves turn orange and yellow in autumn.	12.00
Cornus sanguinea 'Winter Beauty'	4L	1.8m(6ft)	A vigorous shrub with brilliant flame coloured stems. Soft green leaves turn orange and yellow in autumn.	30.00
Cornus sericea 'Flaviramea'	2L	1.8m(6ft)	A vigorous suckering shrub with bright yellow-green winter shoots. Dark green leaves turn red or orange in Autumn; white flowers are followed by white fruits, often tinged blue. Prefers moist soil.	10.00
Corylus avellana 'Contorta'	3L	1.5m(5ft)in10yrs	A shrub with heart-shaped, curled green leaves and	90.00

Name	Pot Size	Height	Description	Price
			strongly twisted stems that are particularly effective in Winter. Bears yellow catkins, late Winter, early Spring.	
Corylus avellana 'Contorta'	25L	1.5m(5ft)in10yrs	A shrub with heart-shaped, curled green leaves and strongly twisted stems that are particularly effective in Winter. Bears yellow catkins, late Winter, early Spring.	12.50
Cosmos 'Choca Mocha'	3L	45cm(1.5ft)	Half hardy perennial with chocolate scented purple brown flowers throughout summer. deadhead regularly. Lift tubers in autumn and store in dry dark place. Replant in spring after danger of frosts	7.50
Cotinus 'Royal Purple'		2.1m(7ft)	A bushier form of C. Grace with rounded, soft pink leaves turning red in Autumn. Pink-coloured plume-like inflorescence gives a smoke-like effect	12.50
Cotinus coggygria 'Golden Spirit'		1.2m(4ft)	A bushy tree or shrub with rich, golden-yellow rounded leaves tinting in Autumn. Pink-coloured, plume-like inflorescence give a smoke-like effect at the same time.	9.50
Cotinus coggygria 'Old Fashioned'		1.5m(5ft)	A bushy tree or shrub with large, rounded, greeny grey leaves turning yellow, orange and red in Autumn. Pink-coloured plume-like inflorescence giving a smoke-like effect appear late summer onwards, even on young plants.	9.50
Cotinus coggygria 'Young Lady'		1.5m(5ft)	A bushy tree or shrub with large, rounded, green leaves turning yellow, orange and red in Autumn. Pink-coloured plume-like inflorescence giving a smoke-like effect appear late summer onwards, even on young plants.	9.50
Cotoneaster franchetii	5L	20cm(8in)	A tall semi-evergreen shrub with arching branches. White flowers tinged with pink in early summer are followed by orange red fruit. Ideal for hedging	10.00
Cotoneaster frigida 'Cornubia'	3L	4m(13ft)in10yrs	A semi evergreen, upright shrub with mid to dark green leaves. Large clusters of white flowers in late spring are followed by masses of red fruit. Ideal as a specimen in a mixed bed or planting en masse to provide a screen.	9.50
Cotoneaster x suecicus 'Coral Beauty'	5L	30cm(1ft)	A dense evergreen, mound-forming shrub with glossy, dark green leaves. White flowers are followed by rounded, bright orange fruit.	7.00
Crinodendron hookerianum	2L	2.4m(8ft)	A stiffly branched evergreen shrub with toothed, narrow, dark green leaves. Attractive, lantern-shaped, pendent, scarlet to carmine-pink waxy flowers. Grow against a sheltered wall or in light woodland.	8.50
Crocosmia 'Bowland Blaze'	9cm	90cm(3ft)	A perennial raise at the nursery with sword-like, dark green leaves. Arching, branched spikes of spider-shaped, dark red flowers.	4.50
Crocosmia 'Bowland Gold'		45cm(1.5ft)	A compact variety with short stems of tightly packed bright golden yellow flowers in mid Summer.	5.00
Crocosmia 'Bressingham Blaze'		45cm(1.5ft)	A perennial with sword-like, mid-green leaves. Short spikes of fiery-red, medium-sized flowers held upright on short stems.	4.50
Crocosmia 'Emberglow'		90cm(3ft)	A perennial with sword-like, dark green leaves. Arching, branched spikes of funnel-shaped, dark red flowers.	6.50
Crocosmia 'Fandango'	9cm	75cm(2.5ft)	A good perennial with narrow pleated mid-green leaves and extra long spikes of bright, pale orange flowers on free-flowering plants.	5.00
Crocosmia 'Firebird'		90cm(3ft)	A bold and choice perennial with pleated, sword-like mid-green leaves. Arching, branched spikes of upward-facing, funnel-shaped, striking flame-orange...	6.50
Crocosmia 'Golden Fleece'			A perennial with sword-like, mid-green leaves. Many medium-sized flower spikes with clear-yellow flowers.	5.00
Crocosmia 'Hellfire'	9cm	90cm(3ft)	The deepest red of all Crocosmias with long green	7.00

Name	Pot Size	Height	Description	Price
			leaves topped off with rich velvety red flowers in summer.	
Crocosmia 'Highlight'		75cm(2.5ft)	A perennial with sword-like, mid-green leaves and arching spikes of yellow-centred, pale orange flowers.	4.00
Crocosmia 'Lana de Savary'		75cm(2.5ft)	A perennial with sword-like, mid-green leaves. Well-spaced red flowers with a hint of yellow on a compact plant.	4.00
Crocosmia 'Lucifer'		1.2m(4ft)	A bold perennial with pleated, sword-like mid-green leaves. Arching, branched spikes of upward-facing, funnel-shaped, brilliant flame-red flowers.	4.00
Crocosmia 'Mistral'		90cm(3ft)	A perennial with sword-like, mid-green leaves. Arching sprays of wide-open, starfish-shaped, red flowers.	4.00
Crocosmia 'Raspberry Spray'		90cm(3ft)	A new variety with elegant sprays of raspberry pink flowers in summer. pink	7.00
Crocosmia 'Severn Sunrise'		75cm(2.5ft)	A perennial with sword-like mid-green leaves. Upright, branched spikes of funnel-shaped, salmon-orange flowers tinged pink on fading..	5.00
Crocosmia 'Severn Sunrise'		75cm(2.5ft)	A perennial with sword-like mid-green leaves. Upright, branched spikes of funnel-shaped, salmon-orange flowers tinged pink on fading..	5.00
Crocosmia 'Tangerine Queen'		90cm(3ft)	An erect perennial with sword-like, dark green leaves. Long sprays of striking tangerine-orange flowers held upright.	4.00
Crocosmia 'Vulcan' (A.Bloom)		45cm(1.5ft)	A perennial with sword-like, mid-green leaves. Medium size flowers spikes of intense, deep red flowers.	5.00
Crocosmia 'Zeal Giant'	2L	1.8m(6ft)	A perennial with sword-like, mid-green leaves. Large size, arching but erect flower spikes of intense, bright orange flowers.	9.50
Crocosmia 'Zeal unnamed'	9cm	1.2m(4ft)	A perennial with sword-like, mid-green leaves. Large size flower spikes of intense, deep orange flowers.	4.50
Crocosmia masoniorum 'Jupiter' ('Saturn')		75cm(2.5ft)	A bulbous perennial with sword-like, mid-green leaves and bright yellow-orange, wide-open flowers on arching stems in late Summer.	4.00
Crocosmia potsii 'Culzean Pink'		90cm(3ft)	A perennial with sword-like, mid-green leaves. Medium-sized sprays of forward-facing, tubular, pink...	5.00
Crocosmia x crocosmiiflora 'Apricot Queen'	9cm	60cm(2ft)	A perennial with sword-like leaves. Profuse and long flowering with golden-yellow flowers.	4.00
Crocosmia x crocosmiiflora 'Buttercup'		60cm(2ft)	A perennial with sword-like, mid-green leaves. Medium-sized flower spikes with bold, Golden-yellow...	4.00
Crocosmia x crocosmiiflora 'Carmin Brilliant'		60cm(2ft)	A perennial with sword-like, mid-green leaves, with a profuse medium size flower spikes of glowing-red carmine flowers. Best colour attained out of direct sunlight.	4.00
Crocosmia x crocosmiiflora 'Citronella' (J.E.Fitt)		45cm(1.5ft)	A perennial with sword-like mid-green leaves. Erect branched spikes of pale, citron-yellow flowers.	6.00
Crocosmia x crocosmiiflora 'Debutante'		45cm(1.5ft)	A perennial with sword-like, mid-green leaves. Small sprays of well-spaced salmon-orange flowers fading to pink.	5.00
Crocosmia x crocosmiiflora 'Fireglow'	9cm	60cm(2ft)	A perennial with bronze sword-like leaves. Stocky spiked of amber yellow flowers with red streaks	6.50
Crocosmia x crocosmiiflora 'George Davison'		60cm(2ft)	A perennial with sword-like, mid-green leaves. Profuse and long flowering with golden-yellow flowers.	4.00
Crocosmia x crocosmiiflora 'Gerbe d'Or'	2L	75cm(2.5ft)	A perennial with sword-like bronzed leaves. Arching, branched spikes of funnel-shaped, lemon-yellow flowers.	4.00
Crocosmia x crocosmiiflora 'Gerbe d'Or'	9cm	75cm(2.5ft)	A perennial with sword-like bronzed leaves. Arching, branched spikes of funnel-shaped, lemon-yellow flowers.	6.50
Crocosmia x crocosmiiflora 'His Majesty'		75cm(2.5ft)	A perennial with sword-like, mid-green leaves. Arching, branched spikes of extremely large, apricot flowers	5.00

Name	Pot Size	Height	Description	Price
			overlaid scarlet-orange at the edges. Feed regularly each spring to ensure flowers.	
Crocoshmia x crocosmiiflora 'Irish Dawn'		45cm(1.5ft)	A perennial with sword-like, mid-green leaves. Profuse tight sprays of deep golden-yellow flowers on short stems.	4.50
Crocoshmia x crocosmiiflora 'Jackanapes'		45cm(1.5ft)	A perennial with sword-like, mid-green leaves. Arching, branched spikes of bicoloured orange-red and yellow flowers on slender stems.	6.00
Crocoshmia x crocosmiiflora 'Lady Hamilton'		75cm(2.5ft)	A perennial with sword-like, mid-green leaves. Profuse and long flowering with yellow-blushed, pink flowers.	4.00
Crocoshmia x crocosmiiflora 'Lord Nelson'		90cm(3ft)	A upright perennial with sword-like mid-green leaves and dark purple stems. Fan-shaped inflorescences of intense deep orange-scarlet flowers, 2.5in. across, with a yellow eye, crimson red externally.	5.00
Crocoshmia x crocosmiiflora 'Mephistopheles'	9cm	60cm(2ft)	A perennial with sword-like, mid-green leaves, with large vivid flame flowers shading to gold at the centre and crimson-maroon markings at the eye, the tepal reverse being orange-scarlet and flame-red.	4.00
Crocoshmia x crocosmiiflora 'Mount Usher'		75cm(2.5ft)	A perennial with sword-like, mid-green leaves. Profuse sprays of pale yellow flowers.	6.00
Crocoshmia x crocosmiiflora 'Norwich Canary'		60cm(2ft)	A perennial with sword-like, mid-green leaves. Branched spikes of light yellow flowers.	4.00
Crocoshmia x crocosmiiflora 'Plaisir'		45cm(1.5ft)	A perennial with sword-like, mid-green, leaves. Large-sized, rich orange flowers opening flat with a cream centre surrounded with a maroon halo	4.50
Crocoshmia x crocosmiiflora 'Queen Mary II'		75cm(2.5ft)	A perennial with sword-like, mid-green leaves. Medium-sized flower spikes with glowing yellow flowers blotched red in the centre.	5.00
Crocoshmia x crocosmiiflora 'Saint Clements'		90cm(3ft)	A perennial with sword-like, mid-green leaves. Small, upright-facing, trumpet-shaped flowers, lemon yellow inside and pink outside held in an airy spray.	5.00
Crocoshmia x crocosmiiflora 'Saracen'		45cm(1.5ft)	A perennial with sword-like, mid-green leaves. Medium-sized, wide-open red flowers and a regular orange/yellow central zone.	6.50
Crocoshmia x crocosmiiflora 'Star of the East'		75cm(2.5ft)	A perennial with sword-like mid-green leaves. Arching, branched spikes of open, reflexed, clear orange flowers, with very pale centres.	6.00
Crocoshmia x crocosmiiflora 'Sulphurea'		75cm(2.5ft)	A perennial with sword-like, mid-green leaves. Medium-sized flower spikes with thin-petaled yellow...	5.00
Crocoshmia x crocosmiiflora 'Walberton Red'		75cm(2.5ft)	A slow-growing perennial with sword-like, dusky leaves. Spikes of red flowers.	5.50
Crocus mixed		10cm(4in)	Early spring flowering bulbs in a range of colours	3.50
Cyclamen coum	9cm	10cm(4in)	Hardy cyclamen with delicate white or pink flowers in the spring above elegant heart shaped foliage. Ideal for naturalising especially under trees	5.00
Cyclamen hederifolium		10cm(4in)	Hardy cyclamen with attractive heart shaped leaves and long lasting pink flowers in the autumn. Ideal for dry shade and good for naturalising especially under trees	4.00
Cyclamen hederifolium 'Album'		10cm(4in)	Hardy cyclamen with attractive heart shaped leaves and long lasting white flowers in the autumn. Ideal for dry shade and good for naturalising especially under trees	4.00
Cyclamen hederifolium 'Rose'		10cm(4in)	A tuberous perennial with green or silver-patterned leaves and rose pink reflexed flowers produced before the leaves which persist until June. Naturalises in time.	4.00
Cytisus 'Lena'	3L	1.5m(5ft)	An upright, bushy shrub with slender stems and small green leaves. Attractive deep red flowers with yellow	9.50

Name	Pot Size	Height	Description	Price
			margined wings giving a bronzed effect. Ideal plant for seaside gardens	
Cytisus praecox 'Albus'		1.2m(4ft)	A compact shrub with arching stems and small silver-green leaves. Abundant fragrant, white flowers borne in clusters.	9.50
Dahlia 'Mystic Dreamer'		75cm(2.5ft)	Deep mahogany to black foliage topped with pale pink-white blooms with a strong magenta stripe on the individual petals.	6.00
Dahlia 'Mystic Enchantment'		75cm(2.5ft)	Masses of attractive purple foliage with a profusion of contrasting scarlet red flowers. Flowering throughout the summer until the frosts. Lift in the Autumn after first frost and dry out in compost, then replant in the Winter. Always worth the extra effort for 20 weeks of flowers	6.00
Dahlia 'Mystic Haze'		75cm(2.5ft)		6.00
Dahlia pinnata 'Mystic Illusion'			Tall, yellow summer bloom, perfect for pollinators.	6.00
Dahlia pinnata 'Mystic Spirit'			Soft apricot single blooms blushed with peach, contrasted against a dark centre.	6.00
Daphne mezereum 'Rubrum'	3L	1.5m(5ft)	A hardy, deciduous upright shrub that produces clusters of scented purple/red flowers in early spring before the leaves appear. Thrives well in shade	17.50
Daphne odora 'Aureomarginata'		1.2m(4ft)	A rounded evergreen shrub with leathery, deep green, narrowly margined creamy-yellow. Clusters of very fragrant, purple-red flowers, almost white within, followed by red fruits.	25.00
Daphne odora 'Perfume Princess'		1.2m(4ft)	An upright evergreen shrub with long thin evergreen leaves. A new introduction with very large very fragrant flowers along the length of the stems in early spring. Sheltered spot	25.00
Delphinium 'Christel'		1.2m(4ft)	A tall growing hardy perennial with spikes of purple flowers in early summer. Great for bees	6.50
Delphinium belladonna 'Schneewitchen'		1.2m(4ft)	Hardy perennial with tall spikes of pure white flowers.	7.50
Dianthus 'Candy Floss'	2L	10cm(4in)	Sugar pink ruffled flowers with splashes of darker pink when they first open - beautifully perfumed	5.50
Dierama Blackberry Bells	1L		Pendulous deep maroon flowers on long arching grass-like foliage	6.50
Dierama argyreum		90cm(3ft)	Pendulous, bell-shaped clusters of white flowers hung from arching grass-like foliage	6.50
Dierama pulcherrimum		90cm(3ft)	An elegant perennial with pale pink-magenta bell-shaped flowers hanging from strong arching grass-like stems	6.50
Dierama pulcherrimum 'Blackbird'	2L	1.2m(4ft)	A low tufted clump-forming perennial with grass-like leaves and arching stems of dark purple flowers.	6.50
Dodecatheon meadia album	9cm	45cm(1.5ft)	A charming perennial with clumps of pale green leaves. Sturdy stems of creamy white flowers with swept-back petals and dark centres. Humus-rich soil in part shade. Summer dormant.	4.50
Dryopteris affinis 'Cristata The King'	2L	75cm(2.5ft)	A very hardy fern forming a magnificent specimen with a shuttlecock of fronds having large crests on both the frond tips and pinnae. Acid soil preferred.	6.00
ELEAGNUS ebbingii			A group of winter flowering evergreen shrubs with some varieties being scented, held against bold evergreen foliage of varying colours, can also be used as a hedging plant.	25.00
ELEAGNUS ebbingii	3L	3m(10ft)	A good shade tolerant evergreen shrub which leaves which have a silver underside creating a silver green shimmering effect. great in a mixed border or for informal hedging. Prune late winter. Remove any branches bearing plain	98.00

Name	Pot Size	Height	Description	Price
			green leaves.	
ELEAGNUS ebbingii	10L	3m(10ft)	A good shade tolerant evergreen shrub which leaves which have a silver underside creating a silver green shimmering effect. great in a mixed border or for informal hedging. Prune late winter. Remove any branches bearing plain green leaves.	8.50
ELEAGNUS ebbingii Compacta	3L	1.8m(6ft)	Compact and more dense growing than Eleagnus ebbingii which has evergreen leaves with beautiful silver undersides. Good for mixed borders and makes a great hedge. Ideal for windy or shady conditions	16.50
Echinacea Fountain Pink Eye		75cm(2.5ft)	Clump forming perennial with large white daisy flowers with a pink tint towards the centre surrounding a dark brown central cone. Good cut flower	7.50
Echinacea purpurea 'Doubledecker'		90cm(3ft)	Clump forming perennial with large pink daisy flowers which later produce an unusual second layer of petals from the dark brown central cone.	7.50
Echinacea purpurea 'Mellow Yellows'		60cm(2ft)	Clump forming perennial with large daisy flowers ranging in colours from cream to sunflower yellow and a central cone.	7.50
Echinacea purpurea 'PowWow White'		75cm(2.5ft)	Clump forming perennial with white daisy flowers and a prominent brown central cone on upright stems. Good for cut flowers	7.50
Echinacea purpurea 'PowWow Wild Berry'		60cm(2ft)	Clump forming perennial with large magenta/pink daisy flowers and a prominent central cone on upright stems	7.50
Echinacea purpurea 'White Meditation'		90cm(3ft)	Clump forming perennial with white daisy flowers and a prominent central orange cone on upright stems. Very floriferous. Lightly fragranced	7.50
Echinacea purpurea 'White Swan'		90cm(3ft)	Clump forming perennial with white daisy flowers and a prominent central green cone on upright stems	7.50
Echinops bannaticus 'Veitch's Blue'		75cm(2.5ft)	A clump-forming perennial, with deeply lobed, dark green, thistle-like foliage, and globular, steel-blue flowerheads on silver-grey, branched, leafy stems.	7.50
Elaeagnus x ebbingei 'Limelight'		2.7m(9ft)	A vigorous, evergreen shrub with silvery young leaves which become marked with yellow and pale green in the centres, silvery beneath. Fragrant creamy white flowers followed by orange speckled silver fruit.	8.50
Epimedium pubigerum	2L	45cm(1.5ft)	A clump-forming perennial with smooth, green foliage and small flesh pink to white flowers, April-May.	7.50
Epimedium x rubrum		30cm(1ft)	A clump-forming perennial with green leaves, flushed red when young and turning deep red in Autumn. Charming crimson and white flowers with short spurs.	7.50
Epimedium x versicolor 'Sulphureum'		30cm(1ft)	A clump-forming perennial with heart-shaped, green leaves, copper-red and brown when young. Charming yellow flowers.	7.50
Epimedium youngianum 'Roseum'			A Spring spray of pink-purple, bell-shaped flowers stand above neat deciduous foliage. This hardy compact perennial enjoys wet shade.	7.50
Eranthus hyemalis	1L	5cm(2in)	An easy to establish bulb with bright yellow flowers in early spring. Great for naturalising under trees or front of border. Perfect for pollinating insects.	3.50
Eremus stenophyllus 'Bungei'		90cm(3ft)	Hardy tuberous plant with tall striking stems of spikes of yellow flowers in late spring. Sun, well drained soil. Great for bees and butterflies	6.50
Eremus stenophyllus 'Cleopatra'	3L	90cm(3ft)	Hardy tuberous plant with tall striking stems of spikes of apricot flowers in late spring. Sun, well drained soil. Great for bees and butterflies	6.50

Name	Pot Size	Height	Description	Price
Erigeron 'Dunkelste Aller'	2L	45cm(1.5ft)	Perennial with large semi-double deep purple daisy-like flowers with a bright yellow eye all summer. Sun. Well drained soil	6.50
Erigeron 'Foersters Leibling'		45cm(1.5ft)	Low growing perennial with large semi-double deep pink daisy-like flowers with a bright yellow eye all summer. Sun. Well drained soil	6.50
Erigeron 'Schwarzes Mere'		45cm(1.5ft)	Perennial with large semi-double dark violet daisy-like flowers with a bright yellow eye all summer. Sun. Well drained soil	6.50
Erigeron 'Sea Breeze'		45cm(1.5ft)	A clump forming perennial with striking pink daisy-like flowers with yellow centres in summer.	6.00
Erigeron karvinskianus	1L	10cm(4in)	A superb plant with masses of white and blushed pink daisy like flowers from May to Oct. Great for a sunny position for long lasting colour or trailing over walls	5.00
Erigeron karvinskianus	2L	10cm(4in)	A superb plant with masses of white and blushed pink daisy like flowers from May to Oct. Great for a sunny position for long lasting colour or trailing over walls	5.50
Erigeron karvinskianus 'Sea of Blossom'		10cm(4in)	A superb plant with masses of white and blushed pink daisy like flowers from May to Oct. Great for a sunny position for long lasting colour or trailing over walls	6.00
Eryngium x zabelii 'Big Blue'		75cm(2.5ft)	A new form with rosettes of sharply-toothed, glossy, mid-green leaves. Branched stems of large, globose-shaped, intense deep blue flowers surrounded by spiny bracts. These stems can be cut and dried.	8.50
Eryngium x zabelii 'Big Blue'	3L	75cm(2.5ft)	A perennial form of Sea Holly suited to growing in the north of England producing many stems of Thistle like flowers. Long lasting a great for drying out and using as cut flower. Come back year after year with more flowering stems. Sunny position in a normal or dry soil	9.50
Eryngium x zabelii 'Blue Hobbit'		30cm(1ft)	A compact variety with dark green glossy leaves and spikey blue, long lasting flower heads. Excellent for bees These stems can be cut and dried.	7.50
Eryngium x zabelii 'Neptunes Gold'	2L	75cm(2.5ft)	A new form of perennial Sea Holly with finely toothed green leaves topped with unusual golden yellow Thistle like flowers during summer, great for cut flower as well	7.50
Eryngium x zabelii 'Picos Amethyst'		45cm(1.5ft)	A perennial with rosettes of sharply-toothed, glossy, bright blue leaves. Branched stems of large, globose-shaped, purple-blue flowers, very long lasting!	8.50
Erysimun 'Bowles Mauve'	3L	75cm(2.5ft)	An evergreen perennial with narrow grey/green leaves and clusters of mauve flowers borne over long period. Good for bees	7.50
Erysimun 'Erysimable Bronze Orange'		45cm(1.5ft)	An evergreen perennial with narrow grey/green leaves and orange flowers turning bronze borne over long period. Good for bees	7.50
Erysimun 'Red Jep'		30cm(1ft)	An evergreen perennial with narrow dark green evergreen leaves and clusters of fragrant red/purple flowers borne over long period. Good for bees	7.50
Erysimun linifolium 'Variegatum'		45cm(1.5ft)	An evergreen perennial with narrow creamy edged evergreen leaves and clusters of purple flowers borne over long period. Good for bees	7.50
Eucalyptus gunni	2L	5m(16ft)in10yrs	A fast growing robust evergreen shrub. Intense silver immature foliage turns grey green with age. Keep trimmed to maintain the silver leaves. Good for flower arranging	17.50
Eucalyptus gunni	9cm	5m(16ft)in10yrs	A fast growing robust evergreen shrub. Intense silver immature foliage turns grey green with age. Keep	4.00

Name	Pot Size	Height	Description	Price
			trimmed to maintain the silver leaves. Good for flower	
Eucalyptus gunni 'Silver Tropfen'	1L	5m(16ft)in10yrs	A fast growing robust evergreen shrub. Intense silver immature foliage turns grey green with age. Keep trimmed to maintain the silver leaves. Good for flower arranging	14.50
Eucryphia 'Nymansay'	3L	15m	Tall, columnar shrub with toothed evergreen leaves and cup shaped white flowers in late summer which bees love. Needs a sheltered position out of cold winds	7.50
Eucryphia 'Variegata'		15m	Tall, columnar shrub with cream variegated evergreen leaves and cup shaped white flowers in late summer which bees love. Needs a sheltered position out of cold winds	12.50
Euonymus alatus 'Compactus'		90cm(3ft)	A very dense shrub with fresh green leaves turning brilliant pink in Autumn. The stems have corky wings.	14.50
Euonymus fortunei 'Blondie'	15L	90cm(3ft)	An outstanding low-growing shrub with bright golden variegated leaves which have a pink tinge after frost.Good ground cover or in pots	28.00
Euonymus fortunei 'Blondie'	2L	90cm(3ft)	An outstanding low-growing shrub with bright golden variegated leaves which have a pink tinge after frost.Good ground cover or in pots	7.00
Euonymus fortunei 'Emerald 'n' Gold'	15L	45cm(1.5ft)	An outstanding low-growing shrub. Bright green leaves with a broad golden margin,tinted red in winter. Good ground cover.	7.00
Euonymus fortunei 'Emerald 'n' Gold'	2L	45cm(1.5ft)	An outstanding low-growing shrub. Bright green leaves with a broad golden margin,tinted red in winter. Good ground cover.	28.00
Euonymus fortunei 'Emerald Gaiety'	1L	45cm(1.5ft)	Forms a compact, low bushy shrub, bright green leaves with white margins tinged pink in winter. Good ground cover.	7.00
Euonymus fortunei 'Emerald Gaiety'	2L	45cm(1.5ft)	Forms a compact, low bushy shrub, bright green leaves with white margins tinged pink in winter. Good ground cover.	5.00
Euonymus fortunei 'Emerald Gaiety'	15L	45cm(1.5ft)	Forms a compact, low bushy shrub, bright green leaves with white margins tinged pink in winter. Good ground cover.	28.00
Euonymus fortunei 'Harlequin'	1L	45cm(1.5ft)	Forms a compact, low bushy shrub, bright green leaves with white splashes and tinged pink in winter. Good ground cover and good for container growing. Prune in mid to late spring to keep the plant bushy and cut out any green shoots	5.00
Eupatorium fortunei 'Pink Elegance'	4L	1.5m(5ft)	A tall Summer flowering perennial with purple/pink flowers over cream variegated foliage. Loved by the bees and butterflies.	8.50
Eupatorium maculatum 'Purple Bush'	3L	1.2m(4ft)	Tall, rich burgundy stems topped with clusters of fluffy pink-purple flowers for a strikingly colourful contrast in...	8.50
Eupatorium rugosum 'Chocolate'		1.5m(5ft)	An upright perennial with bright green leaves suffused and tipped dark chocolate-purple. Bears pretty clusters of pure white flowers.	8.50
Euphorbia characias 'Burrow Silver'	2L	90cm(3ft)	Upright perennial with white edged variegated leaves. In spring the foliage is topped with cream flowers. Cut back flower heads after flowering to encourage bushy growth	7.50
Euphorbia characias 'Glacier Blue'	3L	60cm(2ft)	Evergreen perennial with cream edged blue-green leaves. In spring the foliage is topped with creamy flowers that have a green eye. Cut back flower stems after flowering to encourage bushy growth	7.50
Euphorbia characias 'Purple and Gold'		90cm(3ft)	Evergreen perennial with dull green leaves turning purple in autumn and winter. Large bright yellow and green flowerheads from spring through to summer. Cut back	7.50

Name	Pot Size	Height	Description	Price
			flower stems after flowering to encourage bushy growth	
Euphorbia characias 'Redwing'		90cm(3ft)	Evergreen perennial with green leaves and tall flower stems through winter turning from light green to dark red with bright yellow flowers in spring. Cut back flower stems after flowering to encourage bushy growth	7.50
Euphorbia characias 'Silver Swan'	2L	90cm(3ft)	Perennial with deep blue-green leaves that are edged cream. In spring the foliage is topped with predominate ly white flowers that have a lime green stripe. Cut back flowers after flowering to encourage bushy growth	7.50
Euphorbia griffithii 'Fireglow'		75cm(2.5ft)	An erect perennial with narrow, rich green leaves, each with a red midrib, turning red and yellow in Autumn. Small flowers with prominent, fiery orange-red bracts.	7.00
Euphorbia x martinii 'Ascot Rainbow'	3L	60cm(2ft)	A superb, bushy evergreen perennial with attractive variegated foliage with cream, lime and green flushed pink leaves.	7.50
Exochorda x macrantha 'The Bride'		1.5m(5ft)	A compact shrub with light to mid-green leaves. Clusters of pretty, pure white flowers on arching stems	14.50
Festuca glauca 'Elijah Blue'		30cm(1ft)	A densely tufted evergreen grass with narrow inrolled silvery blue, arching leaves, effective all year; attractive panicles of silvery-blue flowers, fading to brown as they seed.	7.50
Filipendula 'Kahome'		90cm(3ft)	An upright clump forming perennial for moist soils with plumes of deep rose-pink fragrant flowers through summer	7.50
Filipendula multijuga (palmata 'Nana')	2L	45cm(1.5ft)	A clump-forming perennial with fern-like green leaves, white-woolly beneath; deep rose-pink flowers become paler as they age. Prefers moist soils	6.00
Filipendula rubra 'Venusta'	3L	1.5m(5ft)	A spreading perennial forming large clumps in moist soil with fresh green leaves; plumes of deep rose-pink flowers becoming paler as they age.	6.00
Forsythia x intermedia 'Lynwood'	7.5L	2.1m(7ft)	A fast growing deciduous shrub with erect, arching branches and abundant, bright yellow flowers on bare stems in spring. Can be used as a specimen or informal hedge. Cut back flowered shoots to a strong bud	28.00
Forsythia x intermedia 'Spectabilis'	3L	3m(10ft)	A large easy to grow deciduous shrub with erect, arching branches and abundant, bright yellow flowers on bare stems in spring. Can be used as a specimen or informal hedge. Cut back flowered shoots to a strong bud	8.50
Fothergilla major		1.5m(5ft)	An upright shrub with glossy dark green leaves, turning brilliant red, orange, and yellow in Autumn. Fragrant, white, bottlebrush flowers borne before the leaves in Spring.	12.50
Fritillaria imperialis 'Lutea'		90cm(3ft)	Hardy bulb producing tall upright stems of clusters of striking yellow pendulous bell shaped flowers in late spring. Sun well drained soil. Ideal for pots. After flowering remove old leaves with the seed pods providing good sculptural interest	6.50
Fritillaria imperialis 'Rubra'		90cm(3ft)	Hardy bulb producing tall upright stems of clusters of striking red-orange pendulous bell shaped flowers in late spring. Sun well drained soil. Ideal for pots. After flowering remove old leaves with the seed pods providing good sculptural interest	6.50
Fritillaria persica		90cm(3ft)	hardy bulb producing tall upright stems of pendulous bell shaped purple flowers in late spring. Sun well drained soil. Ideal for pots.	6.50
Gaillardia x grandiflora Goblin	3L	45cm(1.5ft)	Bushy herbaceous perennial with bright yellow flowers bearing a domed scarlet centre	6.50
Galanthus 'Sam Arnott'		20cm(8in)	An early flowering tall, vigorous snowdrop with large rounded white flowers bearing conspicuous v shaped	4.00

Name	Pot Size	Height	Description	Price
			green markings. Good cut flower	
Galium odoratum	2L	10cm(4in)	Low growing spreading perennial which naturalises well and provides good woodland ground cover. small clusters of scented star shaped white flowers through late spring	6.50
Garrya elliptica	3L	3m(10ft)	An upright, evergreen shrub with glossy, olive-green, leathery foliage. Attractive and very long dense clusters of silver-grey catkins in mid-Winter produce long, pale yellow flowers.	14.50
Garrya elliptica 'James Roof'		3m(10ft)	An upright, evergreen shrub with glossy, olive-green, leathery foliage. Attractive and very long dense clusters of silver-grey catkins in mid-Winter produce long, pale yellow flowers.	14.50
Gaura 'Freefolk Rosy'	2L	60cm(2ft)	Upright perennial with a haze of white flowers with a pink edge over cream variegated foliage all summer. Ideal for containers. Well drained soil. Sun	6.50
Gaura 'Rosy Jane'	1L	60cm(2ft)	Upright perennial with a haze of white flowers with a pink edge over fresh green foliage all summer. Ideal for containers. Well drained soil. Sun	6.50
Gaura 'Whirling Butterflies'		60cm(2ft)	Upright perennial with a haze of white flowers over fresh green foliage all summer. Ideal for containers. Well drained soil. Sun	4.50
Gaura 'Whirling Butterflies'	2L	60cm(2ft)	Upright perennial with a haze of white flowers over fresh green foliage all summer. Ideal for containers. Well drained soil. Sun	6.50
Genista lydia	3L	60cm(2ft)	A dwarf, mound-forming, shrub with slender, arching grey-green stems smothered in golden-yellow flowers in late Spring and early Summer. Can be used for ground cover or for the front of a mixed border. Make good specimens for growing in containers	8.50
Gentiana 'Eugen's Alabaster'	9cm	10cm(4in)	A pretty Autumn-flowering gentian with narrow, dark green leaves. Bright blue, double, trumpet-shaped flowers on upright stems. Moist acid soil essential.	4.50
Gentiana acaulis	1L	10cm(4in)	A pretty, spring-flowering gentian with leathery, dark green leaves. Deep blue, trumpet-shaped flowers with green spots inside.	5.50
Geranium 'Ann Folkard'	1.5L	60cm(2ft)	A beautiful Geranium flowering throughout late Spring into Autumn and well known for its eye catching magenta pink flowers with a dark centre.	7.50
Geranium 'Bloomtime'	3L	30cm(1ft)	A spreading geranium forming a mat of marbled leaves topped with masses of pale pink veined flowers from May to Oct	7.50
Geranium 'Philippe Vapelle'		30cm(1ft)	A compact hardy geranium, smothered in a mass of light blue flowers, with contrasting, dark blue veins.	7.50
Geranium 'Rozanne'		30cm(1ft)	A sprawling geranium with marbled leaves and large light violet-blue flowers with a white centre enhanced by the black stamens.	8.00
Geranium himalayense 'Baby Blue'		30cm(1ft)	A good repeat flowering hardy geranium. Large mid-blue saucer like flowers throughout the summer.	7.50
Geranium himalayense plenum		30cm(1ft)	A neat, compact carpet of handsome, finely cut leaves and beautiful violet double ruffled flowers over a long period	8.50
Geranium maculatum 'Espresso'	2L	45cm(1.5ft)	An upright plant with handsome deeply divided, dark brown leaves and clusters of bowl-shaped, large, pink flowers.	5.50
Geranium phaeum var. phaeum 'Samobor'	1.5L	60cm(2ft)	A tall, upright, spreading geranium with attractive leaves heavily zoned with chocolate-brown; flowers red-brown. Ideal in sun or shade.	5.50
Geranium psilostemon Patricia	3L		A splendid geranium with large, deeply lobed leaves,	6.50

Name	Pot Size	Height	Description	Price
			turning red in Autumn. Bowl-shaped, magenta-pink flowers with a black centre and black veins.	
Geranium sanguineum 'Tiny Monster'	2L	30cm(1ft)	A low growing, spreading geranium with abundant magenta pink flowers flowers with dark veining. Sun, partial shade	7.50
Geum 'Blazing Sunset'	3L	45cm(1.5ft)	A clump-forming perennial with softly hairy green leaves and clusters of dark red flowers.	6.50
Geum 'Censation Apricot Pearl'		45cm(1.5ft)	A mound forming perennial with softly hairy green leaves and slender stems carrying masses of bowl shaped semi double pink flushed apricot flowers. New introduction	7.50
Geum 'Censation Yellow Fluffy'		45cm(1.5ft)	A mound forming perennial with softly hairy green leaves and slender stems carrying masses of large semi double yellow flowers. New introduction	7.50
Geum 'Flames of passion"		45cm(1.5ft)	A compact clump-forming perennial with softly hairy green leaves and masses of red semi-double flowers flowers. Good for cut flowers	7.50
Geum 'Lady Stratheden'		60cm(2ft)	A clump-forming perennial with bright green leaves and branched stems of semi-double, vivid yellow flowers.	6.50
Geum 'Mrs Bradshaw'		75cm(2.5ft)	A clump-forming perennial with bright green leaves and branched stems of long lasting bright red flowers.	6.50
Geum 'Scarlet Tempest'		45cm(1.5ft)	A new variety with large double scarlet flowers with an apricot flush in mid spring. Dead head for a second flush of flowers in midsummer	6.50
Geum 'Sunrise'		75cm(2.5ft)	A clump-forming perennial with bright green leaves and branched stems producing masses of long lasting double yellow flowers.	7.50
Geum 'Totally Tangerine'	2L	90cm(3ft)	Peachy-orange flowered cultivar noted for its long flowering season from late spring to autumn. Its reaches a height of 90cm.	5.00
Geum rivale	3L	30cm(1ft)	A clump-forming perennial with softly hairy, semi-evergreen leaves and clusters of nodding red-orange-pink flowers held on slender stems.	6.50
Gillenia trifoliata	2L	60cm(2ft)	An attractive plant with bushy green leaves topped starry white flowers in early summer. Magnificent autumn colour before dying down for the Winter.	8.50
Ginkgo biloba	10L	5m(16ft)in10yrs	The oldest living tree species with deeply lobed green leaves which turn a fantastic yellow in Autumn.	39.50
Gunnera manicata	2L	2.4m(8ft)	A very large architectural plant with massive, umbrella-like, deeply-lobed, bristly green leaves on strong, prickly, tall stems. Tiny red flowers on a large, conical flower spike followed by red-green fruit. Ideal for waterside.	9.50
HEATHERS			Providing all year round interest Heathers are best known for their range of varieties which also provide all year round flower colour as well. Great low growing generally carpet forming plants ideal for the rockery or grown in small borders. We always stock a range of ericas and callunas. Please contact us with any specific requests	2.00
Hakonechloa macra	1L	45cm(1.5ft)	Deciduous perennial grass forming mounds of bright green foliage which turn red in autumn. Sprays of flowers in late summer	6.50
Hamamelis x intermedia 'Diane'	3L	1.8m(6ft)in10yrs	A vase-shaped, slower-growing shrub with bright green leaves and large fragrant spider-like dark red flowers before the leaves in mid to late Winter. Lovely autumn colour. Acid soil required.	84.00
Hamamelis x intermedia 'Diane'	15L	1.8m(6ft)in10yrs	A vase-shaped, slower-growing shrub with bright green leaves and large fragrant spider-like dark red flowers before the leaves in mid to late Winter. Lovely autumn	18.50

Name	Pot Size	Height	Description	Price
			colour. Acid soil required.	
Hamamelis x intermedia 'Pallida'	5L	1.8m(6ft)in10yrs	A vase-shaped shrub with bright green leaves and large fragrant spider-like, sulphur-yellow flowers before the leaves in mid to late Winter. Lovely Autumn foliage. Acid soil required.	74.00
Hamamelis x intermedia 'Pallida'	15L	1.8m(6ft)in10yrs	A vase-shaped shrub with bright green leaves and large fragrant spider-like, sulphur-yellow flowers before the leaves in mid to late Winter. Lovely Autumn foliage. Acid soil required.	18.50
Hebe pinguifolia 'Sutherlandii'	3L	45cm(1.5ft)	A low growing evergreen shrub with grey green leaves and spikes of white flowers through summer. Good ground cover and for bees	13.50
Hedera colchica	2L	1.8m(6ft)	A vigorous evergreen, self clinging climber also great for great for ground cover. Large dark green leathery leaves and spherical green flowers in the autumn which are very good for insects.	10.00
Hedera colchica 'Gloire de Marengo'		1.8m(6ft)	An award winning, vigorous self clinging evergreen climber. Bright glossy large green leaves with attractive cream coloration	10.00
Hedera helix		90cm(3ft)	A self clinging evergreen climber with small dark green leaves. ideal for covering a tree stump or for ground cover	10.00
Hedera helix 'Glacier'		1.8m(6ft)	An ornamental evergreen, self clinging climber with grey/green leaves with silver markings. Vigorous grower but easy to control. Good habitat and food source for birds and insects.	10.00
Hedera helix 'Gold Child'		1.8m(6ft)	An ornamental evergreen, self clinging climber with green leaves with gold edges. Vigorous grower but easy to control.	10.00
Hedera helix 'Goldheart'('Oro di Bogliasco')		1.8m(6ft)	A vigorous climber with red young stems and dark green leaves, each with a central splash of bright yellow, tinted red in winter.	10.00
Hedera helix 'Hibernica'		1.8m(6ft)	A non-invasive evergreen, self clinging climber with dark green leaves. Vigorous grower but easy to control. Good habitat and food source for birds and insects. Good for ground cover. Ideal for coastal areas	10.00
Hedera helix 'Ivalace'		1.8m(6ft)	A small evergreen, self clinging climber with dark shiny crinkled leaves. Good for ground cover	10.00
Helenium 'Biedermeier'		1.2m(4ft)	A clump forming perennial with bright bi colour flowers of red and yellow. Well drained soil in full sun.	4.50
Helenium 'Chelsey'	1L	90cm(3ft)	A perennial that is upright and forms clumps of flat, lance-shaped, green leaves. Vivid crimson flowers with yellow flecks and a maroon central cone in late summer.	4.00
Helenium 'Fata Morgana'		90cm(3ft)	A perennial that is upright and forms clumps of flat, lance-shaped, green leaves. Golden yellow flowers with upturned petals a brown dominate cone centre in summer.	4.00
Helenium 'Hot Lava'		90cm(3ft)	A perennial that is upright and forms clumps of flat, lance-shaped, green leaves. Yellow-orange flowers turning rich red provide a stunning colour combination throughout late summer.	4.00
Helenium 'Mardi Gras'	3L	75cm(2.5ft)	A compact, clump-forming perennial with a profusion of yellow daisy shaped flowers flecked with orange and red and a dark central cone in late summer.	6.50
Helenium 'Monique'	1L	1.2m(4ft)	A very floriferous clump forming perennial with bicolor crimson and yellow daisy like flowers. Well drained soil in full sun.	4.00
Helenium 'Moorheim Beauty'		1.2m(4ft)	A clump forming perennial with crimson flowers and a	4.50

Name	Pot Size	Height	Description	Price
			raised conker brown middle Well drained soil in full sun.	
Helenium 'Rubinzweg'	3L	75cm(2.5ft)	A compact, clump-forming perennial with large, dark-centred, red flowers in summer.	6.50
Helenium 'Ruby Charm'	1L	60cm(2ft)	A compact, upright perennial forming clumps of flat, lance-shaped, green leaves. deep red flowers and an almost black central cone in late summer.	4.00
Helenium 'The Bishop'		90cm(3ft)	A perennial that is upright and forms clumps of flat, lance-shaped, green leaves and golden yellow flowers with a brown dominate cone centre in summer.	4.00
Helenium 'Tie Dye'		90cm(3ft)	A perennial that is upright and forms clumps of flat, lance-shaped, green leaves. Golden yellow to reddish-orange flowers with a brown central cone.	4.00
Helenium 'Tom'		60cm(2ft)	A compact, upright perennial forming clumps of flat, lance-shaped, green leaves. deep red flowers with a brown central cone in late summer.	4.00
Helenium 'Wyndley'		1.2m(4ft)	A clump forming perennial with bronze yellow daisy like flowers with a central dark cone. Well drained soil in full sun.	4.50
Helenium Pumilum Magnificum			Hardy bushy perennial with bright yellow daisy-like flowers in Summer to early Autumn.	4.50
Helianthus tuberosus	2L	1.8m(6ft)	A dramatic tall perennials with many stems of rich golden yellow sun flower like flowers in Summer, great for the back of the border and self supporting	7.50
Helianthus tuberosus	3L	1.8m(6ft)	A dramatic tall perennials with many stems of rich golden yellow sun flower like flowers in Summer, great for the back of the border and self supporting	6.50
Helleborus niger 'Christmas Rose'	2L	30cm(1ft)	A semi evergreen perennial with dark green leaves. Early flowering form producing large white flowers right through winter. Add plenty of organic matter when planting. Cut back old leaves in Jan/Feb	12.50
Helleborus orientalis 'Lucy'		45cm(1.5ft)	An evergreen perennial producing leathery dark green, divided leaves. Large saucer-shaped dark purple flowers with prominent stamens. Ideal for woodland gardens or shady borders.	12.99
Helleborus x sahinii 'Winter Bells'		45cm(1.5ft)	A new hybrid between H. niger and H. foetidus with semi-evergreen leaves and a long flowering period from Jan-April. Nodding pink flushed green flowers on slender stems. Ideal for woodland or shady border	12.99
Hemerocallis 'Bela Lugosi'		45cm(1.5ft)	A clump-forming perennial with handsome, narrow, arching leaves. Large rich purple blooms with a green throat. One of the best purple day lilies	6.50
Hemerocallis 'Catherine Woodbury'		45cm(1.5ft)	A clump-forming perennial with handsome, narrow, arching leaves. Lavender pink, scented flowers with ruffled petals and a golden eye	6.50
Hemerocallis 'Charles Johnston'		45cm(1.5ft)	A clump-forming perennial with handsome, narrow, arching leaves. Large, lightly ruffled rich cherry red flowers with yellow throats	6.50
Hemerocallis 'Frans Hals'		90cm(3ft)	A clump-forming perennial with handsome, sword-shaped arching leaves. Spikes of striking bicoloured orange-yellow and brick-red petals with a gold stripe to each red petal.	6.00
Hemerocallis 'Indian Giver'		45cm(1.5ft)	A clump-forming perennial with handsome, narrow, arching leaves. Large, rich purple trumpets with white edges and a silvery purple watermark above a green throat	6.50
Hemerocallis 'Janice Brown'		60cm(2ft)	Spectacular large rose pink ruffled blooms with a yellow-green eye and a dazzling pink ring.	6.50
Hemerocallis 'Joan Senior'		45cm(1.5ft)	A clump-forming perennial with handsome, narrow,	6.50

Name	Pot Size	Height	Description	Price
			arching leaves. Creamy-white, scented flowers with ruffled edges from early to mid-summer.	
Hemerocallis 'Moonlit Masquerade'		45cm(1.5ft)	A clump-forming perennial with handsome, narrow, arching leaves. Large cream blooms with a bright purple eyezone surrounding a green throat	6.50
Hemerocallis 'Piano Man'		45cm(1.5ft)	A clump-forming perennial with handsome, narrow, arching leaves. Fragrant cream blooms with a plum eye and a green throat	6.50
Hemerocallis 'Rocket City'		45cm(1.5ft)	A clump-forming perennial with handsome, narrow, arching leaves. Bittersweet orange trumpets with recurved petals and a burnt orange eye zone.	6.50
Hemerocallis 'Stella de Oro'		45cm(1.5ft)	A clump-forming perennial with handsome, narrow, arching leaves. Producing a succession of golden-yellow flowers in Summer and early Autumn.	6.00
Hesperantha coccinea 'Ice Maiden'	3L	45cm(1.5ft)	A pretty clump-forming perennial with sword-like, bright green leaves. Spikes of white cup shaped flowers in Autumn. Prefers a rich, moist soil.	7.50
Hesperantha coccinea 'Major'	9cm	60cm(2ft)	A pretty clump-forming perennial with sword-like, bright green leaves. Large red flowers on stiff stems from late Summer onwards.	7.50
Hesperantha coccinea 'Oregon Sunset'	3L	45cm(1.5ft)	A pretty clump-forming perennial with sword-like, bright green leaves. Spikes of vivid pink cup shaped flowers in Autumn. Prefers a rich, moist soil.	7.50
Hesperantha coccinea 'Pink Princess' (Wilfred H. Bryant)		60cm(2ft)	A pretty clump-forming perennial with sword-like, bright green leaves. Upright spikes of large white, blushed pink flowers in Autumn. For a rich, moist soil.	7.50
Heuchera 'Berry Smoothie'	2L	30cm(1ft)	A new variety with bright red-pink leaves with darker marking, makes a great specimen in time	6.50
Heuchera 'Blackberry Jam'		30cm(1ft)	Mound-forming perennial with deep purple leaves with dark veins followed by white flowers in early summer.	6.50
Heuchera 'Blondie'	3L	30cm(1ft)	An extremely compact evergreen perennial with rich caramel foliage and abundant panicles of creamy yellow flowers through summer.	6.50
Heuchera 'Fire Chief'	2L	30cm(1ft)	Mound-forming, neat, evergreen mid sized leaves, red through spring and summer followed by ruby red leaves in autumn, a great foliage colour for all year interest	6.50
Heuchera 'Lime Marmalade'		30cm(1ft)	Friilly new Heuchera with a similar habit to H. Marmalade with lime green leaves large than H. Lime Ricky	6.50
Heuchera 'Marmalade' PBR		30cm(1ft)	A perennial with very ruffled evergreen foliage from orange-yellow to red and reddish-brown flowers. May bleach in extreme sun.	6.50
Heuchera 'Obsidian' PBR		30cm(1ft)	Mound-forming perennial with shining, jet-black, smooth, rounded leaves. Airy panicles of pure white flowers in early Summer, great for sun or shade.	6.50
Heuchera 'Paris'		30cm(1ft)	A vigorous perennial with green silver-mottled foliage and large spikes of rich red flowers.	6.50
Heuchera 'Pewter Moon'		30cm(1ft)	A beautiful evergreen perennial forming mounds of silvery purple foliage with white flowers on plum coloured stems during the Summer months	6.50
Heuchera 'Wild Rose'		30cm(1ft)	Hardy perennial forming a dense clump of large rosy purple evergreen leaves with charcoal veining. Upright stems of pink flowers in summer	6.50
Heucherella X 'Brass Lantern'		30cm(1ft)	A new variety with bright orange leaves with a intense red centre followed by a flourish of white flowers	6.50
Heucherella X 'Tapestry'		30cm(1ft)	A spreading perennial with broad, cut foliage with a	6.50

Name	Pot Size	Height	Description	Price
			strong dark tapestry to the leaf. White flowers with a hint of pink. Looks good all year, even in shade.	
Hosta 'Abiqua Drinking Gourd'		60cm(2ft)	Clump-forming perennial with dark green seersuckered leaves in a unique cupped form. White flowers. Good slug resistance.	6.00
Hosta 'Blue Mouse Ears'	1L	20cm(8in)	A new miniature variety with small rounded blue leaves producing white flowers later on once mature	6.00
Hosta 'El Nino'	2L	45cm(1.5ft)	Medium sized clump-forming perennial with heart shaped intense blue leaves with a white edge	8.50
Hosta 'Empress Wu'	3L	1.2m(4ft)	One of the largest hostas. Huge dark green, deeply veined leaves form a large upright clump up to 1.5m. Violet flowers	8.50
Hosta 'Fragrant Bouquet'	2L	45cm(1.5ft)	Heart-shaped, apple-green leaves with yellow and white margins. Large, funnel-shaped fragrant white flowers.	6.50
Hosta 'Guacamole'		75cm(2.5ft)	Clump forming perennial with apple green leaves with dark green margins. Leaf centres become brighter gold through summer and with more sunlight. Large, long lasting, fragrant white flowers	8.50
Hosta 'Hydon Sunset'	1.5L	20cm(8in)	Small, rounded, bright-yellow leaves and rich purple flowers in summer.	6.00
Hosta 'Krossa Regal'	3L	75cm(2.5ft)	Ovate blue green leaves with impressed veins. Spikes of lilac flowers.	7.50
Hosta 'Praying Hands'	2L	30cm(1ft)	Clump forming perennial with upright, narrow folded leaves that are dark green with thin gold margins. Lavender flowers	8.50
Hosta 'Radiant Edger'	1.5L	30cm(1ft)	A fantastic small variety with almost round dark green leaves edged with light green followed by masses of large bell like flowers in mid summer	6.00
Hosta 'Revolution'	2L	45cm(1.5ft)	Medium sized hosta up to 45cm. Oval cream coloured leaves speckled with green which become darker by mid summer. Lavender flowers	8.50
Hosta 'So Sweet'	1.5L	45cm(1.5ft)	Glossy, medium-green, lanceolate leaves with white margins and many white, scented flowers.	6.00
Hosta 'Sum and Substance'	3L	60cm(2ft)	Elegant, heart-shaped, yellow-green leaves becoming deeply puckered when mature. Pale mauve flowers in mid to late Summer.	7.50
Hosta fortunei 'Gold Standard'	2L	45cm(1.5ft)	Large heart-shaped, yellow-green leaves turning gold to yellow with dark green, narrow margins. Lavender-blue flowers in mid-Summer.	7.50
Hosta x tardiana 'Touch of Class'		30cm(1ft)	An improvement from H. June with striking green edged leaves with lime green patterns over blue foliage.	7.00
Hyacinthoides non-scripta	1L	20cm(8in)	A bulbous perennial with arching, blue, bell-like flowers. Ideal for brightening up shaded areas.	3.50
Hydrangea arborescens 'Annabelle'	3L	2.4m(8ft)	A rounded shrub with rich green leaves and large rounded clusters of cream flowers in summer.	12.50
Hydrangea arborescens 'Candybelle Bubblegum'		1.2m(4ft)	A rounded shrub with rich green leaves and large rounded heads of soft pink flowers in summer. Good autumn colour	14.50
Hydrangea macrophylla 'Lanarth White'	4L	1.2m(4ft)	A medium sized, hardy deciduous shrub bearing large flat heads of white flowers from July - Sept. Very frost tolerant for a lacecap	12.50
Hydrangea macrophylla 'Sabrina'	5L	1.2m(4ft)	A lacecap hydrangea with white florets with purple or pink margins depending on the soil pH from mid to late summer.	7.50
Hydrangea paniculata 'Candlelight'	3L	1.5m(5ft)	An upright hardy deciduous shrub bearing abundant upright conical creamy white flowers on red stems. Flowers flush pale pink with age	12.50

Name	Pot Size	Height	Description	Price
Hydrangea paniculata 'Confetti'		1.2m(4ft)	Upright medium sized deciduous hardy shrub with long panicles of scented white flowers through summer into autumn. The flowers develop a pink blush as they mature	12.50
Hydrangea paniculata 'Fraise Melba'	5L	1.5m(5ft)	An award winning variety. Large conical flowers start ivory white in July and gradually turn strawberry pink as they mature	17.50
Hydrangea paniculata 'Grandiflora'	3L	2.4m(8ft)	A large deciduous hardy shrub bearing abundant panicles of cream flower heads which become pink tinged with age in summer	12.50
Hydrangea paniculata 'Kyushu'		90cm(3ft)	Abundant cone-shaped panicles of large white flowers borne on a medium sized hardy shrub	12.50
Hydrangea paniculata 'Limelight'	2L	1.5m(5ft)	A medium sized hardy shrub bearing abundant panicles of large flowers that start pea green in the bud fading to ivory through the summer and then flushed pink in the autumn	12.50
Hydrangea paniculata 'Little Lime'	3L	1.2m(4ft)	Compact hardy deciduous shrub which bears abundant conical lime green flowers which fade to cream then rose through the summer A dwarf form of limelight	14.50
Hydrangea paniculata 'Miss Saori'	2L	90cm(3ft)	A compact deciduous hardy shrub with bronze green foliage and double white blooms with a soft rose pink edge.	12.50
Hydrangea paniculata 'Pink Diamond'	3L	2.4m(8ft)	A vigorous, deciduous hardy shrub bearing abundant pyramidal panicles of creamy-white flower heads which change colour to pale pink and then deep rose before finally turning crimson	12.50
Hydrangea paniculata 'Silver Dollar'		1.2m(4ft)	A compact upright hardy shrub bearing abundant panicles of conical flower heads starting white and then flushed pink.	12.50
Hydrangea paniculata 'Vanilla Fraise'	5L	1.5m(5ft)	An award winning variety. Large conical flowers start white in spring and gradually turn shades of pink and red later in the season	12.50
Hydrangea paniculata 'Wim's Red'	4L	2.1m(7ft)	Upright large deciduous hardy shrub with long honey scented clusters of flowers held upright on strong stems. The flowers start white turning pink and then wine red as they mature	17.50
Hydrangea petiolaris	5L	1.2m(4ft)	A hardy self clinging deciduous climber with flat panicles of white flowers through the summer. Shade lover	28.00
Hydrangea petiolaris 'Silver Lining'	3L	3m(10ft)	A new variegated form of climbing hydrangea with creamy-white margins to the leaves and creamy-white flat panicles of flowers through summer	12.50
Hydrangea serrata 'Blue Bird'		1.2m(4ft)	Compact deciduous hydrangea with large flat panicles of blue/mauve flowers through summer. Good autumn colour. Perfect for small gardens	9.50
Hypericum 'Hidcote'		90cm(3ft)	A rounded, semi-evergreen shrub with aromatic dark green leaves. Clusters of 3in wide, saucer-shaped, golden-yellow flowers from mid-summer to mid-autumn.	6.50
Hypericum 'Magical Universe'		90cm(3ft)	An upright, semi-evergreen shrub with striking yellow flowers on contrasting red stems in mid-summer followed by abundant dark red berries in autumn. Good autumn colour and the berried stems last well cut	8.50
Hypericum 'Miracle Pink'	2L	30cm(1ft)	An easy to grow semi-evergreen shrub with striking yellow flowers on contrasting red stems in mid-summer followed by abundant pink berries in autumn. Good autumn colour and the berried stems last well cut	7.50
Hypericum 'Miracle Red'		30cm(1ft)	An easy to grow semi-evergreen shrub with striking yellow flowers on contrasting red stems in mid-summer followed by abundant red berries in autumn. Good autumn colour and the berried stems last well cut	7.50

Name	Pot Size	Height	Description	Price
Hypericum 'Miracle White'		30cm(1ft)	An easy to grow semi-evergreen shrub with striking yellow flowers on contrasting red stems in mid-summer followed by abundant red berries in autumn. Good autumn colour and the berried stems last well cut	7.50
Hypericum x moserianum 'Tricolor'	3L	90cm(3ft)	A spreading, semi-evergreen shrub with arching branches covered in mid-green leaves attractively variegated cream and pink. Clusters of cup-shaped, yellow flowers from Summer to Autumn.	8.50
IRIS germanica 'Action Front'		90cm(3ft)	Perennial with sword shaped leaves up to 3ft. Large scented flowers in late spring have mauve/brown standards, mahogany falls and a yellow beard. Rhizome needs to be on top of soil.	8.50
IRIS germanica 'Austrian Sky'		60cm(2ft)	A dwarf perennial with sword shaped leaves up to 2ft. Large scented flowers in late spring have sky blue standards and dark blue falls. Rhizome needs to be on top of soil.	8.50
IRIS germanica 'Benton Deidre'		90cm(3ft)	Perennial with sword shaped leaves. Free flowering, heavily scented plum pink flowers with white falls. Rhizome needs to be on top of soil.	8.50
IRIS germanica 'Bold Print'		75cm(2.5ft)	Perennial with sword shaped leaves and large white bearded flowers with blue/purple margins . Rhizome needs to be on top of soil.	8.50
IRIS germanica 'Braithwaite'		75cm(2.5ft)	Perennial with sword shaped leaves up to 2.5ft. Scented flowers in late spring with velvety purple falls, light blue standards and a bright yellow beard. Rhizome needs to be on top of soil.	8.50
IRIS germanica 'Cherry Garden'		75cm(2.5ft)	Perennial with sword shaped leaves. Tall flowers with deep red standards and falls and a purple beard Rhizome needs to be on top of soil.	8.50
IRIS germanica 'Cimarron Strip'		75cm(2.5ft)	Perennial with sword shaped leaves up to 2.5ft. Scented flowers in late spring with red falls and apricot standards. Rhizome needs to be on top of soil.	6.50
IRIS germanica 'Cliffs of Dover'		90cm(3ft)	Perennial with sword shaped leaves up to 2.5ft. Scented ruffled milky white bearded flowers in late spring. Rhizome needs to be on top of soil.	6.50
IRIS germanica 'Conjuration'		90cm(3ft)	Perennial with sword shaped leaves up to 2.5ft. Scented white flowers in late spring with splashes and edges of violet purple. Rhizome needs to be on top of soil.	6.50
IRIS germanica 'Jane Philips'		75cm(2.5ft)	Perennial with sword shaped leaves. Flowers have well-shaped azure - blue standards and softly ruffled falls with a white beard. Rhizome needs to be on top of soil.	8.50
IRIS germanica 'June Rose'		60cm(2ft)	Perennial with sword shaped leaves and large apricot and rose flowers. Rhizome needs to be on top of soil.	6.50
IRIS germanica 'Lord Warden'		75cm(2.5ft)	Perennial with sword shaped leaves. Tall amber/bronze flowers with dark lining on the falls. Rhizome needs to be on top of soil.	8.50
IRIS germanica 'Pogo'	3L	60cm(2ft)	Dwarf perennial with sword shaped leaves. Tall pastel yellow flowers with brown smudges on the falls. Rhizome needs to be on top of soil.	8.50
IRIS germanica 'Rajah'		75cm(2.5ft)	Perennial with sword shaped leaves. Tall butter yellow flowers with dark velvet red falls. Rhizome needs to be on top of soil.	8.50
IRIS germanica 'White City'		75cm(2.5ft)	Perennial with sword shaped leaves up to 2.5ft. Scented flowers in late spring which are pure white including beard with ruffled edges to standard and falls. Rhizome needs to be on top of soil.	8.50
IRIS germanica Blue			A group of perennial plants, best known for their displays	7.50

Name	Pot Size	Height	Description	Price
			of blue flowers in late spring, also available in different colours. The flower petals contain many detailed lines and markings.	
Ilex aquifolium	10L	90cm(3ft)	An evergreen shrub with spiny, dark green leaves. Insignificant flowers in Spring producing abundant red berries from Autumn. Great for hedging	10.00
Ilex aquifolium 'Argentea Marginata'		90cm(3ft)	An evergreen shrub with spiny, white-margined, dark green leaves, pink-tinted when young. Insignificant flowers in Spring producing abundant red berries from Autumn.	7.00
Ilex aquifolium 'Argentea Marginata'	9cm	2.1m(7ft)	An evergreen shrub with spiny, white-margined, dark green leaves, pink-tinted when young. Insignificant flowers in Spring producing abundant red berries from Autumn.	86.00
Ilex aquifolium 'Ferox Argentea'	3L	90cm(3ft)	An evergreen, purple-stemmed male Holly with cream-margined, spiny, dark green leaves also covered with small spines on the leaf surface. Leaves tinted pink in Winter. Slow-growing.	10.50
Ilex crenata	4L	2.4m(8ft)	A slow growing evergreen shrub or small tree with small glossy, convex dark to mid-green leaves. Small white flowers in summer produce abundant glossy black fruit in autumn. Good for hedging	3.00
Ilex verticillata	5L	2.4m(8ft)	A deciduous shrub with leaves turning golden yellow in the autumn and bright red fruits through the winter. Need male and female forms to fruit	29.50
Ilex x attaclerensis 'Golden King'	3L	4m(13ft)in10yrs	An erect, evergreen shrub with almost spineless, grey-green mottled foliage with broad, bright gold margins. Produces bright red berries from Autumn.	9.50
Ilex x meserveae 'Blue Angel'	10L	1.8m(6ft)in10yrs	A compact, upright evergreen shrub with dark purple stems and glossy dark bluish green, spine-edged leaves. Dark red berries from autumn.	36.00
Ilex x meserveae 'Blue Angel'	15L	1.8m(6ft)in10yrs	A compact, upright evergreen shrub with dark purple stems and glossy dark bluish green, spine-edged leaves. Dark red berries from autumn.	58.00
Ilex x meserveae 'Blue Angel'	7.5L	1.8m(6ft)in10yrs	A compact, upright evergreen shrub with dark purple stems and glossy dark bluish green, spine-edged leaves. Dark red berries from autumn.	128.00
Iris 'Holden Clough'	3L	75cm(2.5ft)	A variety raised at Holden Clough Nursery, golden flowers overlaid with purple veins.	8.50
Iris ensata 'Kumo-No-Obi'		75cm(2.5ft)	An iris with bright green leaves and stems of dark blue flowers with prominent yellow markings	7.50
Iris pseudacorus 'Variegata'	2L	90cm(3ft)	An aquatic iris with grey-green leaves striped yellowish-white and stems of bright golden-yellow flowers with bronze or purple markings in early to mid-Summer..	6.50
Iris sibirica 'Caesars Brother'	3L	1.2m(4ft)	Clump forming perennial with spear shaped leaves and masses of violet velvety flowers.	7.50
Iris sibirica 'Flight of Butterflies'	2L	75cm(2.5ft)	Masses of small, deep violet flowers with white veined falls rise up from slender, bright green leaves. Mid season flowering 18" high	7.50
Iris sibirica 'Not Quite White'		45cm(1.5ft)	Ruffled almost white flowers washed in pale lavender. rise up from slender, bright green leaves. Mid season flowering 18" high	7.50
Iris sibirica 'Tropic Night'	3L	1.2m(4ft)	Clump forming perennial with spear shaped leaves. Violet velvety flowers with yellow veined throats.	7.50
Jasione 'Blue Light'		20cm(8in)	An erect alpine with mounds of green leaves topped with pom-pom like royal blue flowers and golden anthers	6.50
Juncus effusus 'Spiralis'		45cm(1.5ft)	A fascinating plant with corkscrew like stems, evergreen and will tolerate wet soils.	8.50

Name	Pot Size	Height	Description	Price
Juniperus squamata 'Blue Star'	2L	60cm(2ft)	A compact, low-growing, bushy evergreen conifer with deep blue foliage in Winter and silvery-blue in Spring.	7.00
Kalimeris incisa 'Blue Star'		75cm(2.5ft)	A fantastic Aster like compact perennial that is fully resistant to mildew. It produces an abundance of light blue flowers throughout Summer, superb!	7.00
Kalimeris incisa 'Charlotte'	3L	75cm(2.5ft)	A fantastic Aster like perennial that is fully resistant to mildew. It produces an abundance of light blue flowers throughout Summer, superb!	5.00
Kalimeris incisa 'Charlotte'	1L	75cm(2.5ft)	A fantastic Aster like perennial that is fully resistant to mildew. It produces an abundance of light blue flowers throughout Summer, superb!	7.50
Kalimeris incisa 'Charlotte'	2L	75cm(2.5ft)	A fantastic Aster like perennial that is fully resistant to mildew. It produces an abundance of light blue flowers throughout Summer, superb!	8.50
Knautia macedonica 'Melton Pastels'	3L	1.2m(4ft)	A hardy and easy to grow group of perennials with pin cushion-like flower heads in a range of reds, mauve and pink shades.	6.50
Knautia macedonica 'Red Knight'		1.2m(4ft)	A hardy and easy to grow perennial forming clumps of dense foliage and tall stems bearing deep crimson pin cushion-like flower heads. Attractive to bees and butterflies. Good cut flower	6.50
Kniphofia 'Ember Glow'		75cm(2.5ft)	A very hardy compact clump-forming perennial with strap like leaves and prolific poker-like spikes of orange yellow flowers from a red bud over a long period.	8.50
Kniphofia 'Flamenco'			A clump-forming perennial with narrow, V-shaped, arching leaves and unusual, poker-like flowers of yellows, oranges and hot fiery reds from June - September. Very hardy and tolerant of low temperatures and heavy soils.	6.50
Kniphofia 'Mango Popsicle'	2L	60cm(2ft)	Perennial forming compact clumps of narrow, V-shaped, arching leaves and orange poker-like spikes of flowers. Very hardy and tolerant of heavy soils.	6.50
Kniphofia 'Red Hot Popsicle'		60cm(2ft)	Perennial forming compact clumps of narrow, V-shaped, arching leaves and deep red poker-like spikes of flowers. Very hardy and tolerant of heavy soils.	6.50
Lamium maculatum 'White Nancy'			A low spreading perennial with stunning evergreen silver heart shaped leaves edged green and white flowers	6.50
Lathyrus vernus		30cm(1ft)	A perennial sweet pea with masses of blue and pink flowers. Forms a tight clumps, will grow in sun or partial shade and requires little maintenance	6.50
Laurus nobilis	4L	1.8m(6ft)	Bay Tree. use leaves fresh or dried. When young protect from frosts but hardy once established	14.50
Laurus nobilis	5L	1.8m(6ft)	Grown as a standard Bay Tree. Use leaves fresh or dried. When young protect from frosts but hardy once established	110.00
Laurus nobilis	9cm	1.8m(6ft)	Grown as a standard Bay Tree. Use leaves fresh or dried. When young protect from frosts but hardy once established	48.00
Lavandula angustifolia 'Hidcote'	1L	45cm(1.5ft)	A compact, bushy shrub with narrow grey-green leaves and spikes of deep blue flowers from mid to late Summer.	6.50
Lavandula angustifolia 'Hidcote'	2L	45cm(1.5ft)	A compact, bushy shrub with narrow grey-green leaves and spikes of deep blue flowers from mid to late Summer.	4.00
Lavandula angustifolia 'Munstead'		45cm(1.5ft)	A compact, bushy shrub with narrow grey-green leaves and spikes of purple-blue flowers from mid to late Summer.	6.50
Lavandula angustifolia 'White Scent'	3L	45cm(1.5ft)	A compact, bushy shrub with narrow, aromatic grey-green leaves and dense spikes of white flowers from mid to late Summer.	6.50
Leucanthemum x superbum 'Banana Cream'	2L	60cm(2ft)	A striking compact variety with stiff upright stems bearing	7.50

Name	Pot Size	Height	Description	Price
			large lemon flowers with a deep yellow centre which fade to white as the flowers mature. Good for cut flowers	
Leucanthemum x superbum 'Freak'	3L	75cm(2.5ft)	An erect summer flowering perennial with white single daisy like flowers	7.50
Leucanthemum x superbum 'Goldfinch'		30cm(1ft)	A striking compact variety with stiff upright stems bearing long lasting double yellow flowers that fade to ivory	7.50
Leucanthemum x superbum 'Old Court Variety'		75cm(2.5ft)	An erect summer flowering perennial with white shaggy, daisy like flowers	8.50
Leucojum aestivum		45cm(1.5ft)	A robust perennial with narrow, dark green leaves and chocolate-scented, bell-shaped white flowers with green tips in Spring.	5.00
Leucojum aestivum 'Gravetye Giant'		75cm(2.5ft)	A very robust bulbous perennial with narrow, dark green leaves and chocolate-scented, bell-shaped white flowers with green tips in Spring.	5.00
Leucothoe Scarletta ('Zeblid')	3L	45cm(1.5ft)	A low-growing, bushy, evergreen shrub with slender, pointed rich green foliage coloured bright red when young, copper and ruby-red in Winter.	7.50
Leucothoe Scarletta ('Zeblid')	7.5L	45cm(1.5ft)	A low-growing, bushy, evergreen shrub with slender, pointed rich green foliage coloured bright red when young, copper and ruby-red in Winter.	36.00
Leucothoe axillaris 'Curly Red'	3L	60cm(2ft)	A low-growing, bushy, evergreen shrub with unusual curly foliage which has bronze new growth in the spring and turns bright red through autumn and winter. White bell flowers in spring. Acid loving so plant with ericaceous compost.	11.00
Leucothoe axillaris 'Zeblid'		60cm(2ft)	A low-growing, bushy, evergreen shrub which produces bronze new growth in the spring and turns bright red through autumn and winter. White bell flowers in spring. Acid loving so plant with ericaceous compost.	11.00
Leucothoe fontanesiana 'Makijaz'	7.5L	45cm(1.5ft)	A low-growing, bushy, evergreen shrub with white marbled foliage with bronze and pink new growth in the spring and turns red through autumn and winter. White bell flowers in spring Acid loving so plant with ericaceous compost.	11.00
Leucothoe fontanesiana 'Makijaz'	3L	45cm(1.5ft)	A low-growing, bushy, evergreen shrub with white marbled foliage with bronze and pink new growth in the spring and turns red through autumn and winter. White bell flowers in spring Acid loving so plant with ericaceous compost.	36.00
Leycesteria formosa 'Golden Lanterns' PBR		2.1m(7ft)	An upright shrub with reddish young foliage maturing a vibrant yellow-green and pendent white flowers surrounded by purple bracts, followed by purple-red berries.	8.50
Liatris spicata 'Floristan Violet'			Compact hardy perennial with tall spikes of magenta-purple bottle brush plumes to 90cm. Sun, well drained soil.	6.00
Liatris spicata 'Floristan White'			Compact hardy perennial with tall spikes of white bottle brush flowers that open from the top down to 90cm. Sun, well drained soil. good for butterflies	6.50
Ligularia 'Desdemona'	3L	75cm(2.5ft)	A clump-forming perennial with round deep green leaves and tall stems of daisy-like yellow flowers with brown centres from mid to late summer.	7.50
Ligularia przewalskii		1.2m(4ft)	A large clump-forming perennial with deeply toothed triangular green leaves and tall black stems bearing daisy-like yellow flowers	7.50
Ligustrum ovalifolium 'Aureum'		2.1m(7ft)	A conical evergreen shrub with green leaves margined bright yellow. White flowers followed by black berries.	8.50
Liriope muscari 'Ingwersen'		30cm(1ft)	Evergreen tuberous perennial forming attractive clumps of narrow evergreen leaves. Spikes of Lavender blue flowers in late summer	7.50

Name	Pot Size	Height	Description	Price
Lobelia Pink Elephant			An erect herbaceous perennial to 1.5m in height, with lance-shaped leaves and vivid light red flowers to 3cm in length in late summer.	7.50
Lobelia cardinalis 'Queen Victoria'		90cm(3ft)	A popular variety with long sprays of deep purple foliage topped off with rich scarlet flowers in late summer. Prune down to ground in autumn to ensure over-wintering	7.50
Lobelia x speciosa 'Russian Princess'		90cm(3ft)	An erect, moisture-loving perennial with purple leaves and magenta-pink flowers from mid to late Summer. Fertile, moist soil.	7.50
Lobelia x speciosa 'Sparkling Ruby'		60cm(2ft)	An erect hybrid with green leaves and rich ruby red flowers from mid to late Summer. Prune down to ground in autumn to ensure over-wintering	7.50
Lobelia x speciosa 'Tania'		75cm(2.5ft)	A colourful moisture-loving perennial with mid-green purple veined leaves and purple flowers from mid to late Summer. Fertile, moist soil.	7.50
Loropetalum chinense 'Fire Dance'	2L	60cm(2ft)	Evergreen shrub with deep purple leaves contrasting well with the masses of bright pink flowers borne in the spring. Requires a well drained soil in a sheltered pot. Ideal container plant. No pruning required	8.50
Lupinus russel 'Rachel de Thame'	3L	75cm(2.5ft)	A clump-forming perennial with attractive foliage and spikes of pink and white flowers on stocky stems in late spring	7.50
Lychnis chalcedonica		90cm(3ft)	A clump forming perennial producing erect spiked of many flat headed red flowers	6.50
Lysimachia clethroides		75cm(2.5ft)	A beautiful species with medium sized elegant spiralling pointed white flower spikes, great for attracting bees and butterflies	7.50
Lysimachia punctata 'Alexander'		60cm(2ft)	Heavily white and salmon-pink variegated foliage on leafy, upright stems. Whorls of bright yellow flowers in summer. New growth buds in spring are bright salmon-pink.	6.50
Lythrum salicaria 'Blush'		90cm(3ft)	A clump-forming, erect perennial for moist soil with tall spikes of soft, light pink flowers from mid-Summer to early Autumn.	6.50
Lythrum salicaria 'Zigeunerblut'	1L	1.2m(4ft)	A clump-forming, erect perennial for moist soil with tall spikes of carmine pink flowers from mid-Summer to early Autumn.	6.50
Lythrum salicaria 'Zigeunerblut'	3L	1.2m(4ft)	A clump-forming, erect perennial for moist soil with tall spikes of carmine pink flowers from mid-Summer to early Autumn.	5.50
Lythrum virgatum 'Dropmore Purple'		60cm(2ft)	A clump-forming, erect perennial for a with tall flower spikes of an intense purple-red in mid-summer	7.50
Magnolia stellata	10L	3m(10ft)in10yrs	A compact bushy tree with mid-green leaves and star-shaped, pure white flowers produced from early to mid-Spring.	40.00
Magnolia x loebneri 'Leonard Messel'	7.5L	4m(13ft)in10yrs	A rounded tree with mid-green leaves and star-shaped, very pale lilac-pink flowers in mid-Spring before the leaves.	44.50
Mahonia x media 'Charity'	3L	1.8m(6ft)	An evergreen, erect shrub with stately dark green leaves, sharply-toothed. Bright yellow, fragrant flowers from late Autumn to late Winter.	8.50
Mahonia x media 'Winter Sun'		1.8m(6ft)	An erect shrub with elegant dark green leaves, sharply-toothed. Bright yellow, fragrant flowers in densely packed, erect racemes from late Autumn to late Winter.	12.50
Meconopsis 'Lingholm'(fertile group)	1L	90cm(3ft)	A perennial with green leaves and stems covered in many bristly rust-coloured hairs. Rich blue poppy-like flowers in late Spring to early Summer. Fertile, humus-rich soil preferred.	6.50

Name	Pot Size	Height	Description	Price
Miscanthus sinensis 'Ferner Osten'	3L	1.5m(5ft)	Forming an arching clump of slender green foliage running copper red in Autumn. Plume like flowers emerge in Summer with red, pink and silvery hues. A very showy variety	8.50
Miscanthus sinensis 'Flamingo'		1.2m(4ft)	Hardy, deciduous grass up to 6ft with narrow arching green leaves and masses of rose pink arching flower plumes from late summer turning white through winter.	8.00
Miscanthus sinensis 'Kleine Silberspinne'		1.2m(4ft)	Hardy deciduous grass with narrow leaves growing in a dense clump to 4ft. Red flower plumes in late summer turn rust coloured through winter.	9.50
Miscanthus sinensis 'Kleine fontane'		1.2m(4ft)	Compact, free flowering deciduous grass up to 4ft. Narrow leaves turn yellow in autumn. Feathery arching red flower heads in late summer turn silver through winter.	8.50
Miscanthus sinensis 'Morning Light'		1.2m(4ft)	An elegant grass with narrow green leaves margined creamy-white and silvery flower plumes.	9.50
Miscanthus sinensis 'Strictus'		1.8m(6ft)	A compact-growing, elegant grass with arching narrow green leaves with bands of yellow and plumes of silver flowers.	8.00
Molinia arundinacea 'Sky Racer'			Dense tussocks of erect, dark green foliage. Very erect flower spikes. Tallest of the molinias	7.50
Molinia caerulea 'Heidebraut'		1.2m(4ft)	Dense tussocks of erect, dark green foliage, yellow in autumn. Masses of tall narrow flowering spikes through summer. Ideal for herbaceous border or prairie planting	7.50
Molinia caerulea ssp. caerulea 'Edith Dudzus'		75cm(2.5ft)	A densely tufted grass with narrow foliage and dark narrow panicles of flower giving good colour through Winter.	7.50
Monarda 'Beauty of Cobham'	1L	90cm(3ft)	An aromatic clump-forming perennial with pale pink flowers in whorls and purple-pink bracts	4.00
Monarda 'Blaustrumpf'	3L	90cm(3ft)	A clump-forming perennial with bronze tinged aromatic foliage and whorls of deep purple flowers	7.50
Monarda 'Elsie's Lavender'	1L		Highly scented clump forming perennial with attractive Lavender coloured flowers	5.00
Monarda 'Fireball'		60cm(2ft)	An aromatic clump-forming perennial with ruby-cerise flowers in whorls and red-tinged foliage.	5.00
Monarda 'Gardenview Scarlet'		90cm(3ft)	An aromatic clump-forming perennial with brilliant scarlet flowers in whorls during summer on compact plants. Very mildew resistant.	4.00
Monarda 'Petite Delight'		30cm(1ft)	A compact and dwarf aromatic clump-forming perennial with lavender-rose flowers in whorls and fragrant mildew-resistant foliage.	5.00
Monarda 'Pink Lace'		90cm(3ft)	A new compact variety with bright pink flowers on short stems, great for colour throughout the summer	4.00
Monarda 'Purple Lace'		90cm(3ft)	A new compact variety with deep purple pink flowers on short stems. Good mildew resistance. Great for colour throughout the summer	5.50
Monarda 'Snow Maiden'		1.2m(4ft)	An aromatic clump-forming perennial with lovely white flowers, mildew resistant foliage.	4.00
Monarda violacea		90cm(3ft)	An aromatic clump-forming perennial with masses of purple whorls of flowers held over furry aromatic foliage, great for encouraging butterflies.	6.50
Mukdenia 'Crimson Fans'	3L	30cm(1ft)	Hardy perennial with large maple like leaves emerging green in spring and developing bright red edges and remaining red through summer. Small white flowers	7.50
Muscari armeniacum 'Blue Magic'	1L	10cm(4in)	Fine green leaves topped with spikes of pale green flower buds opening to royal blue flowers throughout Spring	4.00
Muscari armeniacum 'White Magic'		10cm(4in)	Fine green leaves topped with spikes of pale green	4.00

Name	Pot Size	Height	Description	Price
			flower buds opening to white flowers throughout Spring	
Nandina domestica	15L	1.5m(5ft)	A hardy, slow growing evergreen shrub with attractive pinnate leaves . White flowers in spring followed by red fruit and fantastic autumn colours. Sunny situation required for best autumn colour	78.00
Nandina domestica	7.5L	1.5m(5ft)	A hardy, slow growing evergreen shrub with attractive pinnate leaves . White flowers in spring followed by red fruit and fantastic autumn colours. Sunny situation required for best autumn colour	30.00
Nandina domestica 'Lemon and Lime'	3L	75cm(2.5ft)	A hardy, slow growing compact evergreen shrub with attractive pinnate leaves which emerge yellowy green in spring before fading to a rich lime green . White flowers in spring. Sunny situation required to maintain bright leaf colour. Great for containers. Protect from cold winds. Little pruning required cut back any shoots in late spring to maintain shape	12.50
Nandina domestica 'Obsessed'	5L	75cm(2.5ft)	A hardy, slow growing compact evergreen shrub with attractive pinnate leaves which emerge fiery red in spring before fading to green and then showing good autumn colour . White flowers in spring. Sunny situation required for best autumn colour. Great for containers. Protect from cold winds. Little pruning required cut back any shoots in late spring to maintain shape	17.50
Nandina domestica 'Obsessed'	3L	75cm(2.5ft)	A hardy, slow growing compact evergreen shrub with attractive pinnate leaves which emerge fiery red in spring before fading to green and then showing good autumn colour . White flowers in spring. Sunny situation required for best autumn colour. Great for containers. Protect from cold winds. Little pruning required cut back any shoots in late spring to maintain shape	12.50
Narcissus 'Apricot Whirl'	2L	45cm(1.5ft)	Large unusual flowers with a split corona which opens with a swirl of apricot against creamy white petals	3.50
Narcissus 'Chanterelle'		45cm(1.5ft)	Beautiful buttery yellow flowers with white edging to the petals	3.50
Narcissus 'Congress'		30cm(1ft)	Large flowers with bright yellow outer petals and a slightly ruffled deep orange cup. Mid - late season flowering	3.50
Narcissus 'Cool Flame'		45cm(1.5ft)	Dark coral coloured large cup surrounded by white petals	3.50
Narcissus 'Delnashaugh'		45cm(1.5ft)	A pretty mid-spring flowering bulb with double pink and white flowers.	3.50
Narcissus 'Pink Pride'		45cm(1.5ft)	Ivory white petals surrounding an apricot cup that changes to coral pink as it matures	3.50
Narcissus 'Princess Zaide'		45cm(1.5ft)	A late flowering variety with large round marble white outer petals surrounding a shallow cup with a green eye and heavily fringed edges	3.50
Narcissus 'Pueblo'		45cm(1.5ft)	A lovely multi-headed daffodil with large fragrant flowers with milky white petals and a soft primrose cup that fades to white. Blooms mid spring. Very weather resistant flowers	3.50
Narcissus 'Rip van Winkle'	1L	20cm(8in)	A pretty early spring flowering bulb with double, greenish-yellow flowers.	3.50
Narcissus 'Tahiti'	2L	45cm(1.5ft)	A stunning double variety with yellow and orange overlapping fully double petals on upright stems providing a striking effect!	3.50
Narcissus 'White Lion'		30cm(1ft)	A fantastic double flowered variety. White flowers have broad overlapping outer segments surrounding a double centre with a yellow base. Very fragrant. Good for naturalising.	3.50
Nepeta 'Neptune'	3L	20cm(8in)	Compact herbaceous perennial with silvery mat foliage	7.50

Name	Pot Size	Height	Description	Price
			and masses of large blue flower spikes throughout summer. Deadhead regularly	
Nepeta camphorata 'Dawn to Dusk'	2L	60cm(2ft)	A clump forming perennial with long lasting Summer colour, Spikes of blushed white flowers with contrasting purple bracts above silvery aromatic foliage. Cut back after first flush of flowers for repeat blooms.	6.50
Nepeta camphorata 'Junior Walkers'		60cm(2ft)	A great low compact growing plant for long lasting colour throughout early Summer, with elegant spikes of blue flowers. Very attractive to bees and after the first flush of flowers cut back to basal shoots for repeat blooming throughout the Summer	6.50
Nepeta camphorata 'Purple Haze'	3L	20cm(8in)	Low growing perennial with silvery mat foliage and purple flower spikes throughout summer.	6.50
Nepeta camphorata 'Walkers Low'	2L	60cm(2ft)	A great low plant for long lasting Summer colour, with elegant spikes of blue flowers.	7.50
Nepeta camphorata 'Walkers Low'	3L	60cm(2ft)	A great low plant for long lasting colour throughout early Summer, with elegant spikes of blue flowers. Very attractive to bees and after the first flush of flowers cut back to basal shoots for repeat blooming throughout the Summer	6.50
Nerine bowdenii	2L	60cm(2ft)	A striking autumn flowering perennial. Once the leaves die down rick pink flowers erupt from the ground on long slender stems, very hardy and easy to grow. Sun	6.50
Nerine bowdenii 'Alba'		60cm(2ft)	A striking autumn flowering perennial. Trumpets of white flowers erupting in Autumn, great for a sunny border and beautiful late white colour.	6.50
Oenothera 'Crown Imperial'		75cm(2.5ft)	An erect perennial with bright green leaves and spikes of large, bowl-shaped, bright yellow flowers in clusters, late Spring onwards.	6.00
Ophiopogon planiscapus 'Nigrescens'	3L	10cm(4in)	A clump-forming, evergreen perennial with narrow, curving, almost black leaves. Clusters of pale purplish-white flowers followed by shiny black fruits.. Effective as a contrast to golden grasses or sedges.	7.50
Origanum vulgare 'Rosenkuppel'	2L	20cm(8in)	A mound forming, aromatic, perennial herb with purple flushed foliage and clusters of tubular purple flowers during Summer. Not an edible form	6.50
Osmanthus heterophyllus 'Goshiki'	3L	90cm(3ft)	A dense, rounded, evergreen shrub with holly-like, glossy, dark green, white and pink leaves and clusters of fragrant tubular white flowers.	6.50
Osmanthus heterophyllus 'Tricolour'		90cm(3ft)	A dense evergreen shrub with holly-like, glossy, dark green leaves splashed with white and pink and clusters of fragrant tubular white flowers. Slow growing forming a neat conical shape.	14.50
Osmanthus x burkwoodii		2.7m(9ft)	A rounded shrub with glossy, dark green leaves and clusters of very fragrant, tubular white flowers from mid to late spring.	8.00
Osmunda regalis	2L	1.2m(4ft)	A deciduous, moisture-loving fern forming dense clumps of bright green fronds arching at the tips. Ideal for growing in shallow pond edges.	6.00
Oxalis adenophylla	9cm	10cm(4in)	A clump-forming perennial with pleated, clover-like grey-green leaves and pretty funnel-shaped, purplish-pink flowers flowers with darker veins.	3.50
Pachysandra terminalis 'Green Carpet'	2L	20cm(8in)	A spreading evergreen perennial with toothed, dark green, glossy leaves and tiny clusters of creamy-white flowers. Not as aggressive as other varieties	6.50
Panicum virgatum 'Purple Breeze'	3L	75cm(2.5ft)	Strong, upright, clump forming deciduous, perennial grass. Green foliage turns deep red from the tips downward.	8.50

Name	Pot Size	Height	Description	Price
			Tall attractive flower stems late summer into autumn	
Papaver orientale 'Perrys White'	2L	90cm(3ft)	A variety with lovely pure white flowers emphasised with deep black blotches at the base of each petal.	6.50
Passiflora caerulea	3L	3m(10ft)	Creamy-white flowers with purple-blue centres. The attractive foliage is 10cm across, glossy green and very deeply lobed.	12.50
Pennisetum 'Black Beauty'		75cm(2.5ft)	Clump forming deciduous grass with upright brush like black flowers in autumn.	8.50
Pennisetum 'Karley Rose'		75cm(2.5ft)	Tall clump forming deciduous grass with upright bottle brush like rose pink-purple flowers late summer into autumn.	8.50
Pennisetum 'Red Head'		75cm(2.5ft)	Clump forming deciduous grass with upright brush like flowers in late summer starting red and fading through purple to beige.	8.50
Pennisetum alopecuroides		45cm(1.5ft)	Compact clump forming hardy grass producing arching stems of attractive feathery flowers in late summer. Ideal for small gardens	7.50
Pennisetum alopecuroides 'Hamelin'	1L	45cm(1.5ft)	Compact clump forming hardy grass producing stems of attractive white feathery flowers in late summer. Ideal for small gardens and cut flowers	4.50
Penstemon 'Alice Hindley'	3L	60cm(2ft)	A compact, bushy long flowering perennial with spikes of large bell shaped lilac flowers with white centres. Cut back in spring	7.50
Penstemon 'Apple Blossom'		90cm(3ft)	A semi evergreen hardy perennial with large, pretty pale pink and white tubular flowers through summer.	7.50
Penstemon 'Garnet'		90cm(3ft)	A semi evergreen perennial with deep red/purple coloured tubular flowers through summer. One of the hardiest penstemons	7.50
Penstemon 'Riding Hood Red'		60cm(2ft)	A large-leaved bushy semi-evergreen perennial with bright red trumpet flowers held over dark green leaves. Flowers throughout summer till first frosts	7.50
Penstemon 'Sour Grapes'		60cm(2ft)	A compact, bushy long flowering perennial with spikes of bell shaped small magenta blue flowers with paler cream centres. Cut back in spring	7.50
Penstemon 'White Bedder'		90cm(3ft)	A semi evergreen hardy perennial forming a bushy plant with large white tubular flowers through summer.	7.50
Penstemon digitalis 'Huskers Red'		60cm(2ft)	A compact, bushy long flowering perennial. Maroon red stems bear white tubular flowers, flushed with pink Semi-evergreen. Cut back in spring	7.50
Perovskia atriplicifolia 'Blue Spire'	2L	90cm(3ft)	An upright perennial with scented silver leaves producing many elegant upright stems with trumpet like blue flowers during Summer	6.50
Pericaria amplexicaulis 'Rosea'		45cm(1.5ft)	A large neat mound of semi evergreen leaves covered in abundant, long lasting spikes of pale pink flowers through late summer. Bees and other insects love it	6.00
Pericaria amplexicaulis Firetail'		45cm(1.5ft)	A low mound of semi evergreen leaves covered in spikes of fluffy crimson red flowers through late summer. Bees and other insects love it	6.00
Pericaria bistorta	3L	45cm(1.5ft)	Long fat spikes of tiny baby pink flowers on slender stems above a weed excluding mound of oval leaves	7.50
Pericaria bistorta superba		45cm(1.5ft)	Spreading perennial with red stems and matt forming green leaves producing bottle brush shaped pale pink flowers all summer long.	7.00
Pericaria microcephala 'Red Dragon'	2L	45cm(1.5ft)	A stunning red stemmed plant with maroon, purple and bronzed pointed leaves, small pale pink flowers during	6.00

Name	Pot Size	Height	Description	Price
			the summer.	
Persicaria nepalensis	3L	45cm(1.5ft)	A stunning red stemmed ground cover plant with maroon, purple and bronzed pointed leaves, small pale pink flowers during the summer.	7.00
Phalaris arundinacea	2L	1.8m(6ft)	Pretty white variegated grass with broad leaves	5.50
Philadelphus 'Frosty Morn'	4L	90cm(3ft)	An upright compact hardy deciduous shrub with double white, extremely fragrant flowers. Prune after flowering	16.50
Philadelphus 'Lemoinei'		1.8m(6ft)	A hardy deciduous shrub with arching branches covered in clusters of very fragrant, single cup-shaped, white flowers. Prune after flowering. Bee friendly. Rabbit resistant	16.50
Philadelphus 'Manteau d'Hermine'		90cm(3ft)	A very compact hardy deciduous shrub with double creamy white, extremely fragrant flowers. Prune after flowering	16.50
Philadelphus 'Starbright'		2.1m(7ft)	A tall upright deciduous shrub with dark stems bearing large very fragrant white flowers. New growth is purple tinted. Prune after flowering. Bee friendly. Rabbit resistant	16.50
Philadelphus coronarius 'Aureus'	3L	90cm(3ft)	An upright shrub with golden-yellow leaves turning yellow-green in summer. Clusters of single, very fragrant, creamy-white flowers.	7.50
Phlomis russeliana		90cm(3ft)	Hardy perennial forming carpets of large heart shaped evergreen leaves. Whorls of yellow hooded flowers are carried on tall upright stems which look good as seed heads through winter	6.50
Phlox paniculata 'Adessa Pink Star'	1.5L	60cm(2ft)	A new dwarf variety with striking white flowers with a pink eye.	4.00
Phlox paniculata 'Blue Paradise'	1L	90cm(3ft)	A strong-growing, erect perennial with narrow green leaves and large fragrant clusters of blue-violet flowers with a darker eye during mid-summer.	4.00
Phlox paniculata 'Bright Eyes'		90cm(3ft)	An erect, strong-growing perennial with mildew-free narrow green leaves and fragrant clusters of pale pink flowers in mid-summer to early autumn.	4.00
Phlox paniculata 'Orange Perfection'		75cm(2.5ft)	Large fragrant clusters of open orange flowers with a deeper eye and rich green foliage. Aug.-Sept. 30in.	4.00
Phlox paniculata 'Rembrandt'		45cm(1.5ft)	Hardy, clump forming perennial producing strong stems topped with pure white scented flowers.	4.00
Phlox paniculata 'Sweet Summer Fantasy'		75cm(2.5ft)	Large fragrant clusters of white flowers with a purple/pink edge and rich green foliage. Aug.-Sept. 30in.(75cm)	4.00
Phlox paniculata 'White Admiral'		75cm(2.5ft)	Large fragrant clusters of fragrant white flowers. Jul-Sept. 30in.(75cm)	4.00
Phlox paniculata 'Windsor'		75cm(2.5ft)	Large fragrant clusters of fragrant pink flowers with deeper pink eye. Jul-Sept. 30in.(75cm)	4.00
Photinia fraseri 'Camilly'	4L	3m(10ft)in10yrs	A strong growing upright evergreen shrub with glossy leaves with bright red new growth. Great for adding winter interest to borders or for use as a hedge.	12.50
Photinia fraseri 'Carre Rouge'		1.8m(6ft)in10yrs	A new compact variety with smaller leaves and blood red new growth. Great for adding winter interest to borders or for use as a hedge.	14.50
Photinia serratifolia 'Crunchy'		1.8m(6ft)in10yrs	An upright evergreen shrub with glossy crinkled leaves which start copper turning bright red and dark green with age. Compact bushy growth great for adding texture to borders or for use as a hedge.	14.50
Photinia x fraseri 'Red Robin'	3L	3m(10ft)in10yrs	An upright shrub with shiny, dark green leaves, bright red when young. Small white flowers are sometimes followed by matt red fruits. Forming an attractive bush, even in Winter.	96.00
Photinia x fraseri 'Red Robin'	15L	3m(10ft)in10yrs	An upright shrub with shiny, dark green leaves, bright red	22.50

Name	Pot Size	Height	Description	Price
			when young. Small white flowers are sometimes followed by matt red fruits. Forming an attractive bush, even in Winter.	
Physocarpus opulifolius 'Darts Gold'	3L	1.2m(4ft)	A thicket-forming shrub with bright yellow young foliage and small cup-shaped pink-tinged white flowers.	8.00
Physostegia virginiana 'Variegata'	2L	90cm(3ft)	An erect perennial with striking toothed variegated leaves and spikes of mauve pink flowers	8.50
Picea glauca var. albertiana 'Conica'	3L	90cm(3ft)	A neat, cone-shaped, dwarf conifer with prominent late winter buds, dark green needle-like leaves, bright green in Spring.	12.50
Pinus mugo 'Pumilio'		1.2m(4ft)	A dwarf, rounded form of the "Mountain Pine' with short, dense, green needle-like leaves. Prominent brown winter buds.	12.50
Pinus mugo 'Winter Gold'		1.2m(4ft)	A dwarf pine with short, dense, light green needle-like leaves, turning bright gold in winter.	24.00
Pinus wallichiana		3m(10ft)in10yrs	A very elegant, conical conifer becoming columnar with soft, pendent, grey-green to glaucous-blue needle-like leaves. Produces green cones ripening to brown.	14.50
Pittosporum tenuifolium 'Tom Thumb'		90cm(3ft)	A low, bushy shrub with bronze-purple flushed leaves. Bell-shaped dark purple flowers. Best in full sun.	10.00
Polemonium Bressingham Purple	1.5L	75cm(2.5ft)	An clump-forming perennial with striking dark purple divided foliage and pretty light blue, tubular flowers from spring into summer	7.50
Polemonium caeruleum	3L	75cm(2.5ft)	An clump-forming perennial with striking variegated divided foliage and spikes of pretty pale lilac, tubular flowers from spring into summer	6.50
Polygonatum x hybridum		90cm(3ft)	A perennial with arching stems of bright green leaves bearing white bell flowers tipped green, that hang on the underside of the stem, followed by black seed pods.	6.50
Potentilla. 'Emilie'	2L	45cm(1.5ft)	A new variety with pom-pom like double red and yellow flowers.	7.50
Potentilla. 'Monsieur Rouillard'	3L	30cm(1ft)	A clump forming perennial with spreading stems bearing many fully double deep red flowers throughout Summer.	7.50
Potentilla. thurberi 'Monarch's Velvet'	1.5L	60cm(2ft)	A clump-forming perennial with attractive foliage and saucer-shaped flowers having raspberry-red petals and a deep velvet-red centre. Long-flowering during summer.	7.50
Primula 'Belarina Pink Champagne'	2L	10cm(4in)	Subtle pink rosette like flowers in spring on clumps of evergreen leaves. Ideal for woodland setting	5.00
Primula 'Drumcliffe'	1L	10cm(4in)	A recent introduction of primula with unusual deep purple foliage and pale pink flowers.	5.00
Primula 'Gold Laced Group'		20cm(8in)	A rosette of evergreen red tinted green leaves and stems with clusters of very dark red, almost black, flowers edged gold during Spring	5.00
Primula 'Tantallon'		10cm(4in)	A rosette forming, deciduous primula with toothed grey green leaves and clusters of violet flowers with white eyes in early spring	5.00
Primula 'Wanda'		10cm(4in)	An old fashioned variety of primrose with rosettes of evergreen leaves and clusters of royal purple flowers during Spring.	5.00
Primula auricula	7cm		Various varieties available, please email <a href="mailto:info@holdencloughnursery.com">info@holdencloughnursery.com</a> for current availability	4.00
Primula auricula 'Argus' (2)	9cm	10cm(4in)	An alpine primula with evergreen rosettes of rounded mid-green leaves and clusters of dark pink flowers with a white eye in spring.	4.00
Primula auricula 'Avril Hunter' (2)		10cm(4in)	An alpine primula with evergreen rosettes of rounded mid	4.00

Name	Pot Size	Height	Description	Price
			-green leaves. Dark blue flowers fading to light blue round the edges.	
Primula auricula 'Blue Yodeller'		10cm(4in)	An auricula with evergreen rosettes of rounded green leaves and lilac flowers with dark maroon center.	4.00
Primula auricula 'Bradford City'		20cm(8in)	An alpine primula with evergreen rosettes of rounded mid-green leaves. Flowers have red and brown outer petals with a golden yellow centre	4.00
Primula auricula 'Chelsea Bridge'		20cm(8in)	An alpine primula with evergreen rosettes of rounded green leaves. Large purple blue flowers with a white centre.	4.00
Primula auricula 'Comet' (2)			An alpine primula with evergreen rosettes of rounded mid-green leaves and red flowers with a white centre.	4.00
Primula auricula 'Coventry Street'	9cm	20cm(8in)	An alpine primula with evergreen rosettes of rounded green leaves. Lemon yellow flowers with a white ring round a central yellow eye.	4.00
Primula auricula 'Crimson Glow'		20cm(8in)	An alpine primula with evergreen rosettes of rounded grey-green leaves. Fully double with velvet red petals and a flash of yellow at the base	4.00
Primula auricula 'Dales Red'		10cm(4in)	An alpine primula with evergreen rosettes of rounded mid-green leaves and deep blood red flowers with a pale...	4.00
Primula auricula 'Dilly Dilly'		10cm(4in)	An alpine primula with evergreen rosettes of rounded mid-green leaves. Pretty lavender blue flowers with a yellow centre that whitens with age	4.00
Primula auricula 'Eden Blue Star'		10cm(4in)	An alpine primula with evergreen rosettes of rounded mid-green leaves. Single purplish blue flowers with a white centre.	4.00
Primula auricula 'Fleet Street'		10cm(4in)	An alpine primula with evergreen rosettes of rounded mid-green leaves. Tomato red flowers with silver edgings and a white centre.	4.00
Primula auricula 'Gizabroon'		20cm(8in)	An alpine primula with evergreen rosettes of rounded mid-green leaves and dark burgundy red flowers with a white centre.	4.00
Primula auricula 'Golden Splendour' (2)		20cm(8in)	An alpine primula with evergreen rosettes of rounded mid-green leaves and burnished gold double flowers on tall stems.	4.00
Primula auricula 'Hinton Admiral'		20cm(8in)	An alpine primula with evergreen rosettes of rounded mid-green leaves and flowers with a black body and grey white edge.	6.50
Primula auricula 'Hinton Admiral'		20cm(8in)	An alpine primula with evergreen rosettes of rounded mid-green leaves and flowers with a black body and grey white edge.	4.00
Primula auricula 'Hold Gold'		20cm(8in)	An alpine primula with evergreen rosettes of rounded mid-green leaves. Gold flowers with a white centre.	4.00
Primula auricula 'Holyrood'		20cm(8in)	An alpine primula with evergreen rosettes of rounded mid-green leaves. Very detailed flowers with a white centre ringed with purple and edged green	4.00

Primula auricula 'Warpaint'		20cm(8in)	A primula with evergreen rosettes of rounded green leaves and neat flowers of red, green, yellow and white with a silver dusting.	4.00
Primula auricula 'Winifred' (2)			An border auricula with evergreen rosettes of rounded mid-green leaves and gold centred purple flowers.	4.00
Primula beesiana (4)	1.5L	45cm(1.5ft)	Moisture-loving perennial with large mid-green leaves with a red midrib. Stout stems with tiers of purplish-pink flowers with a yellow eye in early Summer.	5.00
Primula bulleyana (4)		45cm(1.5ft)	Moisture-loving perennial with large mid-green leaves. Stout stems with tiers of vibrant, deep orange flowers in early Summer.	5.00
Primula chungensis (4)		45cm(1.5ft)	Moisture-loving perennial with fresh green leaves and upright stems with whorls of deep, rich yellow flowers in late Spring and early Summer.	5.00
Primula denticulata 'Ronsdorff' (9)		30cm(1ft)	A perennial with rosettes of mid-green leaves. Stout stems of ball shaped white, lilac or fuchsia flowers in Spring.	5.00
Primula denticulata (9)		20cm(8in)	A perennial with rosettes of mid-green leaves. Stout stems of rounded, lavender flowers in Spring.	5.00
Primula florindae		60cm(2ft)	A moisture-loving perennial with large rosettes of mid-green leaves. Stout stems of fragrant, pendent, sulphur-yellow flowers from mid-Summer to early Autumn.	5.00
Primula japonica 'Miller's Crimson' (4)		30cm(1ft)	A moisture-loving perennial with large green leaves. Stout stems with tiers of rich crimson-red flowers in late Spring and early Summer.	5.00
Primula kennedy 'Innisfree'	1L	10cm(4in)	A rosette of evergreen deep bronze leaves and clusters of burgundy flowers with a yellow eye in spring.	5.00
Primula marginata 'Holden Variety'(2)	9cm	10cm(4in)	An alpine primula with evergreen rosettes of heavily powdered, serrated leaves. Clusters of amethyst-blue flowers in Spring.	4.50
Primula pulverulenta(4)	1.5L	45cm(1.5ft)	A moisture-loving perennial with rosettes of deep green leaves. Stout, farina-covered stems with tiers of deep red flowers with purple eyes in late Spring and early Summer.	5.00
Primula veris (30)		20cm(8in)	"Cowslip". A native perennial with rosettes of mid-green leaves. Stout stems bear clusters of nodding, pale to deep yellow, fragrant flowers.	4.00
Primula veris red form		20cm(8in)	"Cowslip". A native perennial with rosettes of mid-green leaves. Stout stems bear clusters of nodding fragrant red flowers.	4.50
Primula vialii	3L	30cm(1ft)	A perennial with rosettes of narrow, erect, softly downy leaves. Dense heads of small tubular, lilac-blue flowers in cone-like heads from red buds in late Spring and early Summer. Often late appearing in Spring.	6.50
Primula vulgaris	2L	10cm(4in)	A native perennial with rosettes of deeply veined green leaves. Clusters of pale yellow flowers in spring with a pale orange eye.	5.00
Primula vulgaris 'Sunshine Susie'		10cm(4in)	A double form of the native primrose with masses of long lasting lemon yellow flowers through spring. Ideal for moist soil in sun or partial shade	6.50
Primula vulgaris(30) 'Claddagh'	1L	10cm(4in)	A form of primrose with dark leaves and large honey yellow flowers in the spring. Partial shade in moist but free draining soil.	5.50
Primula x pubescens 'Harlow Car'(2)	9cm	10cm(4in)	An alpine with rosettes of evergreen green leaves and clusters of pure white flowers in spring, pink-flushed with age. Raised at Holden Clough.	4.00
Primula x pubescens 'Wharfedale Buttercup'(2)		10cm(4in)	An alpine with rosettes of evergreen green leaves and clusters of cream flowers in spring.	4.00

Name	Pot Size	Height	Description	Price
Prunus 'Otto Luykens'	3L	1.2m(4ft)	A compact growing cherry laurel with dense evergreen growth and sprays of white scented flowers in the spring. Will tolerate most conditions	10.00
Prunus cerasifera 'Nigra'	7.5L	4m(13ft)in10yrs	A dwarf ornamental deciduous tree with rich purple leaves and dark purple stems. Masses of pink flowers in spring followed by red fruit in autumn. Ideal for limited spaces	27.50
Prunus incisa 'Kojo-no-mai'	3L	90cm(3ft)	An interesting low shrub with pretty, almost white flowers opening from pink buds on the bare zig-zagged branches in spring. Ideal for floral art or winter branch outline in the garden.	9.50
Prunus incisa 'Kojo-no-mai' (quarter standard)	5L	1.5m(5ft)in10yrs	An interesting small tree with pretty, almost white flowers opening from pink buds on the bare zig-zagged branches in spring. Ideal for floral art or winter branch outline in the garden.	30.00
Prunus serrula	7.5L	3m(10ft)	A striking dwarf tree with white flowers in spring followed by green leaves, the real joy is from the rich shiny brown bark that it bears providing great interest all year round.	39.50
Pulmonaria 'Azurea'	2L	20cm(8in)	A clump-forming perennial with green leaves with pink buds opening to bright blue flowers in Spring	7.50
Pulmonaria 'Blue Ensign'		20cm(8in)	A clump-forming perennial with dark green leaves and pretty violet-blue flowers in Spring. Cut back old growth after flowering to encourage new growth in Summer.	7.50
Pulmonaria 'Pink Haze'		20cm(8in)	A clump-forming perennial with white-spotted foliage bearing clear pink flowers tinted with violet blue in Spring. Cut back after flowering to encourage fresh new Summer growth.	7.50
Pulmonaria 'Sissinghurst White'	1.5L	20cm(8in)	Delicate, pure-white, funnel-shaped flowers in early spring and white-spotted, bright-green leaves.	6.00
Pulsatilla vulgaris 'Red Bell'	1L	30cm(1ft)	An alpine with finely divided, light green leaves and rich red bell-shaped flowers with a cluster of gold stamens in Spring, followed by fluffy seedheads.	4.50
Pyracantha 'Red Column'	7.5L	2.4m(8ft)in10yrs	A reliable, vigorous form, with dense growth and strong branches covered in autumn with masses of long-lasting red berries.	25.00
Rhodiola rosea	3L	30cm(1ft)	A clump-forming alpine from a curious fleshy rootstock with neat succulent, glaucous-grey leaves and clusters of yellow flowers.	7.50
Ribes sanguineum 'Pulborough Scarlet'		1.8m(6ft)	A bushy shrub with masses of dark red clusters of hanging flowers on bare stems followed by a flush of bright green foliage in spring. Flowers and foliage are scented. Good autumn colour. Three years after planting remove 1 in 3 of the oldest shoots near ground level after flowering	9.50
Rodgersia 'Parasol'	2L	60cm(2ft)	A spectacular and elegant perennial with large, parasol-like leaf clusters, eventually very large, and suffused reddish-bronze all Summer. Effective in light shade and/or moist soil.	6.00
Rodgersia aesculifolia		1.2m(4ft)	A robust perennial with horse chestnut-like foliage. Small starry flowers make up large conical panicles in Summer	7.50
Rodgersia aesculifolia 'Bronze Peacock'	3L	45cm(1.5ft)	A clump-forming perennial with bronze foliage. Upright stems of pink flowers in late Spring. Marvellous in light shade and/or moist soil.	7.50
Rodgersia pinnata 'Alba'		1.2m(4ft)	A clump-forming perennial with bold, crinkled, bright glossy reddish-bronze leaves and upright stems of cluster of white flowers.	7.50
Rodgersia pinnata 'Candy Clouds'	2L	1.2m(4ft)	Architectural perennial with large palmate leaves that forms tall plumes of soft pink and white flowers in Summer.	7.50

Name	Pot Size	Height	Description	Price
Rubus speciosum 'Olympic Double'		1.2m(4ft)	An unusual fully double form with striking cerise pink flowers in early Summer with bright green leaves.	12.50
Rudbeckia fulgida 'Goldsturm'	3L	75cm(2.5ft)	A clump-forming perennial with hairy stems and mid-green leaves. Golden, daisy-like flowers with a conical black centre from late Summer to mid-Autumn.	6.50
Rudbeckia fulgida var. deamii	2L	90cm(3ft)	A clump-forming perennial with hairy stems and mid-green leaves. Bright yellow, daisy-like flowers with a black centre from late Summer to mid-Autumn.	5.50
Rudbeckia fulgida var. deamii	1L	90cm(3ft)	A clump-forming perennial with hairy stems and mid-green leaves. Bright yellow, daisy-like flowers with a black centre from late Summer to mid-Autumn.	6.50
Rudbeckia laciniata 'Herbstonne'	3L	1.8m(6ft)	A clump-forming tall perennial with branching stems supporting large lemon yellow daisy like flowers with broad petals reflexing back from a central green cone from late Summer to mid-Autumn.	8.50
Salix 'Golden Girls'		5m(16ft)in10yrs	A fast growing deciduous shrub with catkins in the spring and unusual twisted stems. Thrives in wet conditions	18.00
Salix integra 'Hakuro-nishiki'		1.8m(6ft)	Grown as a standard with twisted stems. A dwarf Japanese willow with bright cream and pink variegated foliage all season. Moisture essential in order to prevent leaf scorch. Lightly prune annually in early Spring.	50.00
Salvia 'Amethyst Lips'	1L	60cm(2ft)	A bushy low growing plant with many purple and white flowers throughout summer held over scented foliage. Great for a sunny location	4.00
Salvia 'Amistad'	3L	75cm(2.5ft)	A bushy plant with dark purple flowers set in almost black calyces. Flowers throughout summer. Great for bees. needs a sheltered position	7.50
Salvia 'Blue Note'	2L	60cm(2ft)	A compact plant with a profusion of long lasting, deep blue flowers throughout summer held over scented foliage. Great for a sunny location	6.50
Salvia 'Cherry Lips'		60cm(2ft)	A bushy low growing plant with many bright pink and white flowers throughout summer held over scented foliage. Great for a sunny location	6.50
Salvia 'Cherry Lips'	1L	60cm(2ft)	A bushy low growing plant with many bright pink and white flowers throughout summer held over scented foliage. Great for a sunny location	4.00
Salvia nemerosa 'Blauhugel'	2L	60cm(2ft)	A compact perennial with long lasting short spikes of lavender flowers throughout summer. Great for a sunny location. Good for bees and butterflies	7.00
Salvia nemerosa 'Blue Bouquetta'	3L	45cm(1.5ft)	A compact perennial with long lasting short spikes of deep blue flowers throughout summer. Great for a sunny location. Good for bees and butterflies	7.50
Salvia nemerosa 'Cardonna'		45cm(1.5ft)	A compact perennial with long lasting long spikes of indigo flowers on purple/black stems throughout summer. Great for a sunny location. Good for bees and butterflies	7.50
Salvia nemerosa 'Ostfriesland'	2L	60cm(2ft)	A compact perennial with long lasting spikes of violet blue flowers throughout summer. Great for a sunny location. Good for bees and butterflies	7.00
Salvia nemerosa 'Rose Marvel'	3L	45cm(1.5ft)	A compact perennial with long lasting spikes of pink flowers throughout summer. Great for a sunny location. Good for bees and butterflies	7.50
Salvia nemerosa 'Schneehugel'	2L	60cm(2ft)	A compact perennial with long lasting branching spikes of pure white flowers throughout summer. Great for a sunny location. Good for bees and butterflies	7.00
Salvia nemerosa 'Schwellenburg'		60cm(2ft)	A compact clump forming perennial with long lasting spikes of rose/purple flowers throughout summer. Great for a	7.00

Name	Pot Size	Height	Description	Price
			sunny location. Good for bees and butterflies	
Sambucus nigra 'Black Beauty'	3L	2.1m(7ft)	An upright bushy shrub with young leaves dark purple turning red in Autumn. Musk-scented pink flowers in early summer, followed by glossy black fruit. Prune in February occasionally.	12.50
Sambucus nigra 'Black Lace'	4L	1.8m(6ft)	An upright bushy shrub with purple, almost black dissected leaves. Musk-scented pink flowers in early summer. Prune lightly in February occasionally.	16.50
Sanguisorba 'Beetlewings'	2L	75cm(2.5ft)	Clump forming hardy perennial with finely cut foliage and masses of cylindrical carmine red flowers on slender stems. New dwarf variety	7.50
Sanguisorba 'Burr Blanc'		90cm(3ft)	Clump forming hardy perennial with finely cut foliage and masses of cylindrical white flowers on slender stems.	7.50
Sanguisorba 'Pink Brushes'		90cm(3ft)	Clump forming, slowly spreading hardy perennial with finely cut foliage. Spikes of large, fluffy rose pink, semi-pendulous flowers on slender stems.	7.50
Sanguisorba 'Tanna'	3L	30cm(1ft)	Clump forming hardy perennial with finely cut foliage and masses of cylindrical red flowers on slender stems. New dwarf variety	7.50
Sanguisorba menziesii	2L	90cm(3ft)	An elegant summer flowering perennial with many long spikes of cerise bottle brush like flowers on slender stems	6.50
Sarcococca 'Purple Stem'	3L	1.2m(4ft)	A compact, evergreen low maintenance shrub with fragrant creamy white flowers in winter through to early spring followed by long lasting purple red fruit. New stems are purple fading with age. Great for dry shade.	13.50
Sarcococca 'Winter Gem'		60cm(2ft)	A new variety with dark green leaves and pink buds opening to white flowers with a very sweet scent, great for dry shade.	14.50
Saxifraga 'Atropurpurea'	9cm	20cm(8in)	A mat forming variety with crimson flowers held on stems over bright green leaves.	3.50
Saxifraga 'Dartington White' (15)		20cm(8in)	A cushion-forming mossy saxifrage with soft rosettes of green leaves; white flowers in late spring.	3.00
Saxifraga 'Hareknoll Beauty'		10cm(4in)	A saxifrage with neat rosettes of deep green leaves edged silver with sprays of deep pink flowers in early summer.	4.00
Saxifraga 'Peter Pan' (15)	1.5L	20cm(8in)	A cushion-forming mossy saxifrage with soft rosettes of bright green leaves. Crimson stems carry clear pink flowers in late Spring.	2.50
Saxifraga 'Pixie'(15)	9cm	20cm(8in)	A compact, cushion-forming mossy saxifrage with soft rosettes of green leaves. Rose-pink flowers in late spring.	3.00
Saxifraga 'Slacks Ruby Southside'	1L	20cm(8in)	A mat forming variety raised at Slacktop Nursery selected for its deep pink spectacular flowers in spring	3.50
Saxifraga 'Southside Seedling' (8)	9cm	20cm(8in)	A mat-forming saxifrage with rosettes of pale green leaves. Arching panicles of white flowers heavily speckled red in late spring.	3.00
Saxifraga Hardii		20cm(8in)	A cushion-forming saxifraga with soft rosettes of bright green leaves. Short stems carry dark crimson flowers in late spring.	3.00
Saxifraga paniculata 'Lutea' (8)		20cm(8in)	A mat-forming saxifrage with rosettes of pale, grey-green leaves with lime-encrusted margins. Soft yellow flowers in early Summer.	3.50
Saxifraga paniculata 'Rex' (8)			A rosette-forming saxifrage with large, evergreen rosettes of silvery encrusted, lime-green leaves. Large white flowers in sprays on red stems.	3.50
Saxifraga paradoxa (8)	9cm	10cm(4in)	Evergreen grey-green rosettes forming a hummock. White flowers in sprays during late Spring.	3.50

Name	Pot Size	Height	Description	Price
Saxifraga x urbium 'Variegata Compacta'		5cm(2in)	Attractive slow growing alpine with white flowers held over striking evergreen variegated foliage	4.00
Saxifraga x urbium 'Variegata' (11)	2L	10cm(4in)	Attractive evergreen carpet forming alpine with white flowers dotted with red and yellow spots held over striking variegated foliage	6.00
Scabiosa 'Butterfly Blue'		30cm(1ft)	Compact, long blooming perennial with a profusion purple blue pincushion flowers over a long period well drained soil, Great for bees and butterflies	6.50
Scabiosa 'Chile Black'	3L	30cm(1ft)	Old fashioned perennial with a profusion of near black flowers over a long period and finely cut foliage. well drained soil, Great for bees.	7.50
Scabiosa 'Kudo White'		30cm(1ft)	Compact, semi evergreen long blooming perennial with a profusion of white pincushion flowers held on wiry stems. Well drained soil, Great for bees and butterflies	7.50
Scabiosa 'Misty Butterflies'	2L	30cm(1ft)	Compact, long blooming perennial with a profusion of pink or blue pincushion flowers over a long period well drained soil, Great for bees.	6.50
Scabiosa columbaria 'Pink Mist'	3L	30cm(1ft)	Long blooming perennial with grey green leaves and a profusion of pink to lavender pincushion flowers. Well drained soil, Great for bees.	6.50
Sciadopitys verticillata		1.8m(6ft)in10yrs	A conical to columnar evergreen tree with red-brown peeling bark. Narrow, glossy, dark green leaves. Produces cones.	22.00
Sedum 'Purple Emperor'		60cm(2ft)	A clump-forming perennial with fleshy deep purple leaves. Flat clusters of star-shaped deep pink flowers in early Autumn are guaranteed to attract butterflies into the garden. Full sun required.	7.50
Sedum 'Vera Jameson'		45cm(1.5ft)	An herbaceous perennial with spreading stems of bluish-purple leaves. Loose clusters of star-shaped, soft pink flowers.	6.50
Sedum oreganum tenue ('Procumbens')	9cm	5cm(2in)	A fantastic alpine forming a low growing carpet with deep red leaves in summer covered in large yellow flowers	3.00
Sedum spectabile 'Autumn Joy'	3L	60cm(2ft)	A clump-forming perennial with fleshy glaucous green leaves. Flat clusters of star-shaped deep pink flowers in early Autumn are guaranteed to attract butterflies into the garden. Full sun required.	6.50
Sempervivum 'Alpha'	1L	10cm(4in)	A rosette-forming alpine with neat green and purple rosettes.	4.50
Sempervivum 'Blood Tips'		10cm(4in)	A rosette-forming alpine with wide grey green leaves edges with a blood red shading and purple flowers	3.50
Sempervivum 'Bronco'	9cm	10cm(4in)	A rosette-forming alpine with dark brownish red glossy leaves with sharp points, very good colour all year round.	3.50
Sempervivum 'Cafe'		10cm(4in)	A rosette-forming alpine with brownish-green, coffee-coloured leaves. Full sun and good drainage...	3.50
Sempervivum 'Heigham Red'		10cm(4in)	Rosette-forming alpine with spiky, red rosettes paling to green at the tips. Prefers full sun and good drainage.	3.00
Sempervivum 'Icicle'		10cm(4in)	A rosette-forming alpine with attractive medium sized green and red leaves with heavy silver frosting	3.00
Sempervivum 'Jubilee Tricolor'		10cm(4in)	A succulent, rosette-forming alpine with green, maroon and cream, fleshy rosettes. Produces pinkish-red flowers in Summer.	3.50
Sempervivum 'Lavender and Old Lace'		10cm(4in)	A neat mound-forming alpine with leaves of a beautiful lavender colour, edged with silver cilia.	3.50
Sempervivum 'Mahogany'		10cm(4in)	A rosette-forming alpine with deep red rosettes	3.50
Sempervivum 'Rheinhart'		10cm(4in)	A rosette-forming alpine with attractive bright green	5.00

Name	Pot Size	Height	Description	Price
			leaves and strong purple black leaf tips, superb contrast.	
Sempervivum 'Rheinhart'	1L	10cm(4in)	A rosette-forming alpine with attractive bright green leaves and strong purple black leaf tips, superb contrast.	3.50
Sempervivum 'Ruthenica'	9cm	10cm(4in)	A rosette-forming alpine with neat lime green and pink rosettes with furry leaves.	3.50
Sempervivum 'Zenocrate'		10cm(4in)	A neat mound-forming alpine with wide upright green leaves shading to bright carmine red	4.50
Sempervivum 'Zenocrate'	1L	10cm(4in)	A neat mound-forming alpine with wide upright green leaves shading to bright carmine red	3.00
Sempervivum arachnoideum 'Laggeri'	9cm	10cm(4in)	A rosette-forming alpine with slightly hairy, reddish-green rosettes.	3.50
Senecio candidans 'Angels Wings'	3L	30cm(1ft)	A fast growing, striking foliage plant with large downy silvery leaves. Avoid excessive wet. Tolerant of drought once established. Ideal for growing in a container.	8.00
Skimmia japonica 'Dad's Red Dragon'	2L	60cm(2ft)	A bushy, rounded, evergreen shrub with, dark green shiny foliage. Fragrant white flowers from red flower buds in spring followed by red fruits.	8.50
Skimmia japonica 'Finchy'		90cm(3ft)	An upright bushy male evergreen shrub with dense panicles of fragrant creamy white flowers in spring. Ideal for winter interest in shade or incorporating into winter bedding displays. Trim plants after flowering	12.50
Skimmia japonica 'Finchy'	4L	90cm(3ft)	An upright bushy male evergreen shrub with dense panicles of fragrant creamy white flowers in spring. Ideal for winter interest in shade or incorporating into winter bedding displays. Trim plants after flowering	26.50
Skimmia japonica 'Fragrans'	2L	90cm(3ft)	A male evergreen shrub with, shiny, dark green foliage. Fragrant white flowers open from red buds in Spring.	8.50
Skimmia japonica 'Kew White'		75cm(2.5ft)	A female evergreen shrub with shiny, light green leaves. Fragrant white flowers open from green buds in spring to produce marble-white berries by Autumn.	7.50
Skimmia japonica 'Nymans'		90cm(3ft)	A spreading evergreen shrub with white flower. Female variety.	7.50
Skimmia japonica 'Pleasure'	3L	90cm(3ft)	A female evergreen shrub with shiny dark green leaves and panicles of fragrant white flowers in spring. After pollination by a male variety bearing large glossy red fruit throughout winter. Ideal for containers. Good for bees.	26.50
Skimmia japonica 'Rubella'	10L	90cm(3ft)	A male, evergreen shrub with shiny dark green leaves, margined red. Fragrant white flowers open from dark red buds in spring.	12.50
Skimmia japonica 'Rubella'	2L	90cm(3ft)	A male, evergreen shrub with shiny dark green leaves, margined red. Fragrant white flowers open from dark red buds in spring.	36.00
Skimmia japonica 'Rubella'	3L	90cm(3ft)	A male, evergreen shrub with shiny dark green leaves, margined red. Fragrant white flowers open from dark red buds in spring.	58.00
Skimmia japonica 'Rubella'	4L	90cm(3ft)	A male, evergreen shrub with shiny dark green leaves, margined red. Fragrant white flowers open from dark red buds in spring.	24.00
Skimmia japonica 'Rubella'	9cm	90cm(3ft)	A male, evergreen shrub with shiny dark green leaves, margined red. Fragrant white flowers open from dark red buds in spring.	5.50
Skimmia japonica ssp. reevesiana	2L	60cm(2ft)	A dwarf evergreen shrub with narrow, dark green foliage and self-fertile, fragrant white flowers in May followed by many crimson fruits in Autumn and Winter.	12.50
Skimmia x confusa 'Kew Green'	3L	90cm(3ft)	A male evergreen shrub with shiny, mid-green leaves.	14.50

Name	Pot Size	Height	Description	Price
			Prominent clusters of fragrant, greenish-white flowers in Spring.	
Sorbaria sorbifolia 'Sem' PBR		75cm(2.5ft)	A fantastic new introduction with new foliage appearing red turning to orange and yellow, new foliage always tinged red, brilliant scarlet autumn colour, it really is fantastic all season!	8.50
Sorbus cashmiriana	7.5L	5m(16ft)in10yrs	A spreading tree with divided dark green leaves. Clusters of white or pink flowers in late Spring are followed by large, waxy, white berries. Good autumn colour.	39.50
Sorbus reducta	1.5L	20cm(8in)	A miniature shrub with glossy, dark green leaves, turning red and purple in Autumn. Clusters of white flowers in late spring are followed by rose-pink berries.	7.50
Sorbus vilmorinii			A spreading tree or shrub with arching branches of divided dark green leaves. Clusters of white flowers in late Spring are followed by dark red berries ageing to pink then white. Good autumn colour.	39.50
Spiraea arguta	10L	2.4m(8ft)	An arching easy to grow deciduous shrub with arching sprays covered in white flowers in late spring. Prune annually immediately after flowering	28.00
Spiraea japonica 'Candle Light'			A dwarf, compact shrub with bright yellow young leaves, turning to a deeper yellow in Summer. Clusters of bright pink flowers from mid to late Summer. Prune hard in early Spring.	7.50
Spiraea japonica 'Fire Light'	3L		A dwarf, compact shrub with rich orange-red young leaves, turning to a bright orange-yellow and finally pale green but then turning deep red in Autumn. Deep rose-pink flowers from mid to late Summer. Prune hard in early Spring.	7.50
Stachys betonica	2L	45cm(1.5ft)	A low growing perennial with abundant upright spikes of lavender pink flowers in Summer. A magnet for Bees and Butterflies, a fully hardy alternative to Lavender	6.00
Stachys byzantina 'Silver Carpet'	3L	45cm(1.5ft)	A ground cover perennial which rarely flowers producing a carpet of soft, felt like silver foliage.	7.50
Stipa gigantea		1.5m(5ft)	A perennial grass with narrow, dark green leaves and large, open panicles of golden-yellow spikelets in early Summer, changing to straw-colour. Remains ornamental until the very hard frosts.	8.00
Stipa tenuissima	1.5L	60cm(2ft)	A perennial grass with erect, narrow, bright green leaves and soft, feathery greenish-white panicles ageing to buff throughout Summer, remaining ornamental until late Autumn.	6.50
Stipa tenuissima	9cm	60cm(2ft)	A perennial grass with erect, narrow, bright green leaves and soft, feathery greenish-white panicles ageing to buff throughout Summer, remaining ornamental until late Autumn.	5.50
Stokesia laevis 'Blue Star'	3L	60cm(2ft)	An evergreen perennial with rosettes of mid-green leaves with conspicuous greenish white midribs. Long-lasting large blue flowerheads from mid-Summer to early Autumn.	7.50
Symphoricarpus 'Magical Galaxy'	2L	1.5m(5ft)	A compact, deciduous shrub with small white/pink flowers in early summer followed by a profusion of clusters of white berries through autumn and winter. Ideal in a mixed border or as a hedge	12.50
Symphoricarpus 'White Hedge'	3L	1.5m(5ft)	A fast growing, non invasive, deciduous shrub with small white/pink flowers in early summer followed by a profusion of clusters of white berries through autumn and winter. Ideal as a hedge. Grows well in shade. Trim in summer	12.50
Symphoricarpus Magical Sweet	2L	1.5m(5ft)	A compact, deciduous shrub with small white/pink flowers in early summer followed by a profusion of clusters of	12.50

Name	Pot Size	Height	Description	Price
			pink berries through autumn and winter. Ideal in a mixed border or as a hedge	
Syringa meyeri 'Palibin'		60cm(2ft)	A compact rounded shrub with oval leaves and dense clusters of fragrant lavender-pink flowers in late spring and early summer.	8.00
Syringa pubescens 'Ardenken an Ludwig Spath'	10L	3m(10ft)in10yrs	A compact, bushy shrub with glossy dark green leaves. Vivid purple flowers in late spring. Very fragrant.	24.50
Syringa pubescens 'Charles Joly'		4m(13ft)in10yrs	A compact, bushy shrub with glossy dark green leaves. Double deep purple flowers with a paler reverse in late spring. Very fragrant.	24.50
Syringa pubescens 'Katherine Havermeyer'		4m(13ft)in10yrs	A compact, bushy shrub with glossy dark green leaves. Lavender purple flowers fading to pink in late spring. Very fragrant.	24.50
Syringa pubescens 'Michel Buchner'		4m(13ft)in10yrs	A compact, bushy shrub with glossy dark green leaves. Pale pink flowers in late spring. Very fragrant.	24.50
Syringa pubescens 'Mme Lemoine'		4m(13ft)in10yrs	A compact, bushy shrub with glossy dark green leaves. Double white flowers open from lemon buds in late spring. Very fragrant.	24.50
Syringa vulgaris 'Beauty of Moscow'	7.5L	6m(16ft)in10yrs	A deciduous large shrub or small tree with highly scented double white flowers with a fringe of pink. Sun or partial shade.	24.50
Tanacetum Mixed	3L	45cm(1.5ft)	Clump forming perennial with fern like green leaves and daisy like flowers in shades of pink and red through summer	6.50
Taxus baccata	2L	3m(10ft)	A dense evergreen conifer with dark green foliage which starts light green in the spring. Red fruits in the autumn are great for birds but toxic to humans and animals. Forms a dense hedge which is easy to trim to shape providing good evergreen screen. Excellent for use as topiary	8.50
Tellima grandiflora		60cm(2ft)	A clump-forming perennial with bright green leaves. Slender spikes of fragrant, greenish-white flowers from late Spring to mid-Summer. Ideal ground cover in shade.	5.50
Thalictrum delavayi 'Black Stockings'	3L	1.5m(5ft)	An elegant hardy perennial with dainty feathery foliage producing tall black upright stems with purple flowers during the Summer	9.50
Thalictrum delavayi 'Hewitts Double'	9cm	90cm(3ft)	A clump-forming perennial with dainty feathery foliage and tiny lilac flowers with yellowish-white stamens. A stunning addition to any border.	6.00
Thuja occidentalis 'Golden Globe'	3L	90cm(3ft)	A dwarf, rounded conifer with bright, golden-yellow foliage.	12.00
